Required attachments to permit application: ■ Site plan or engineered drawings showing location and extent of work within the right-of-way ■ Proposed plan for protection of right-of-way and adjacent properties ■ Proposed traffic control plan ■ Storm water quality assurance plan ■ Certificate of Insurance listing Cherry Hills Village as Additional Insured ■ Performance Bond or Letter of Credit for \$5,000 good for **two (2) years**.

■ No changes shall be made from that which is stated in this application, or in attached plans and specifications except by submitting a revised application, plans and/or specifications, and receiving approval from City staff for such changes. Granting of a permit shall not be construed as a permit for, or an approval of, any violation of either the Municipal Code or any other federal, state or local laws regulating construction or the performance of construction. Special conditions and/or provisions stated on the issued Public Right-of-Way Permit supersede any other information provided by the applicant, including information provided on the plans.

■ All permits are only good through the proposed completion date plus five days unless an extension is requested and approved by the City. Permit applications that are not pursued in good faith are deemed abandoned after proposed completion date plus five days.

■ I hereby certify that I have read and examined this application and know the same to be true and correct.
