

Report an Illicit Discharge

It is illegal to release anything other than stormwater which is free of pollutants to the maximum extent practicable to a stormwater conveyance system! Stormwater conveyance systems include streets, curbs and gutter, storm drains, and ditches. See Non-Stormwater Discharges below to learn about specific exemptions to these discharge prohibitions.

You may call the Stormwater Hotline for Cherry Hills Village to report an illicit discharge or a potential illicit discharge. Please provide a detailed account of the incident (i.e. date, time, location, responsible party, nature of the incident) when you call to report an illicit discharge.

Stormwater Hotline- Please Call the Public Works Department to report any illicit discharges at 303-783-2731 or send an email to jgoldie@cherryhillsvillage.com.

Non-Stormwater Discharges

The following discharges are exempt from the illicit discharge prohibitions.

1. Water line flushing and other discharges from potable water sources
2. Irrigation and lawn watering
3. Rising ground waters or springs
4. Passive foundation and footing drains
5. Water from crawl space pumps and basement pumps
6. Air conditioning condensate
7. Noncommercial vehicle washing
8. Natural flows from riparian habitats and wetlands
9. De-chlorinated swimming pool discharges
10. Flows from fire suppression activities, including fire hydrant flows
11. Diverted stream flows
12. Uncontaminated ground water infiltration
13. Uncontaminated pumped ground water
