**INTERGOVERNMENTAL AGREEMENT  
BETWEEN THE CITY OF CHERRY HILLS VILLAGE AND  
THE COUNTRY HOMES METROPOLITAN DISTRICT  
FOR REIMBURSEMENT OF COSTS  
FOR THE CHERRYMOOR SOUTH SEWER TRUNK LINE  
REHABILITATION PROJECT**

**THIS INTERGOVERNMENTAL AGREEMENT** ("Agreement"), made and entered into this 18<sup>th</sup> day of August, 2020 by and between the **CITY OF CHERRY HILLS VILLAGE**, a home rule municipal corporation of the State of Colorado, hereinafter referred to as "Cherry Hills Village" or "City," and the **COUNTRY HOMES METROPOLITAN DISTRICT**, formerly known as Country Homes Sanitation District No. 1, a quasi-municipal corporation and political subdivision of the State of Colorado, hereinafter referred to as "District." Collectively, Cherry Hills Village and the District shall be referred to herein as the "Parties."

WHEREAS, the City and the District, as Colorado governmental entities, are empowered pursuant to Article XIV, §18 of the Colorado Constitution and C.R.S. §§ 29-1-201 *et seq.* to cooperate or contract via intergovernmental agreement to provide functions, services, or facilities authorized to each cooperating government; and

WHEREAS, the City is scheduled to commence work on rehabilitating the South Interceptor Trunk Line portion of its sewer system (the "Trunk Line") in 2020, pursuant to a construction contract for the 2020 Cherrymoor South Interceptor Rehabilitation (City Project No. 2020-003) (the "Project"); and

WHEREAS, the District connected to the Trunk Line pursuant to an October 27, 1970 agreement with the Cherrymoor South Water and Sanitation District ("Cherrymoor South"), as amended February 2, 1975 (the "Original Agreement"), which Original Agreement is attached and incorporated herein as **Exhibit A**; and

WHEREAS, pursuant to the Original Agreement, the sewage generated by District users is conveyed through the Trunk Line, and the District pays for its *pro rata* share of the operation and maintenance costs of the entire Cherrymoor South sanitary sewer system; and

WHEREAS, Cherrymoor South was dissolved in 2002, and the City assumed responsibility for operation of the Cherrymoor South sanitary sewer system and succeeded to Cherrymoor South's existing contractual obligations under the Original Agreement, thus allowing the City to seek payment from the District for operation and maintenance costs; and

WHEREAS, the Original Agreement requires the District to pay operation and maintenance costs to the City within three months; and

WHEREAS, the City and the District agree there is a public safety and welfare need to repair, reconstruct, and modernize the Trunk Line, which for purposes of this Agreement the Parties agree constitutes operation and maintenance costs as contemplated by the Original Agreement; and

WHEREAS, the timely completion of the Project will benefit the resident and taxpayers of both Parties; and

WHEREAS, the City Council of Cherry Hills Village has approved a construction contract to complete the Project, on the condition that the Parties enter into an intergovernmental agreement concerning the terms under which the District will pay the City for its share of the Project costs; and

WHEREAS, the Parties desire to enter into this Agreement to supplement the terms of the Original Agreement to establish the District's obligation to pay its *pro rata* share of the costs for the Projects in two installments.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements herein contained, and of other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

#### **AGREEMENT**

- 1. PURPOSE.** The purpose of this Agreement is to: (1) memorialize the District's obligation to pay the City for the District's *pro rata* share of the Project costs; and (2) establish the terms and conditions under which the District's share of the Project costs shall be repaid to the City.
- 2. EFFECTIVE DATE; TERM.** This Agreement shall commence on the date of mutual execution of the Parties (the "Effective Date") and shall continue until the Parties have fulfilled their obligations as set forth herein, or unless otherwise terminated by mutual written agreement of the Parties. Notwithstanding anything herein to the contrary, the Parties understand and agree that all terms and conditions of this Agreement that may require continued performance or compliance beyond the termination date of this Agreement, including, without limitation, Section 5 of this Agreement, shall survive such termination date and shall be enforceable as provided herein in the event of a failure by a Party to perform or to comply under this Agreement.
- 3. RESPONSIBILITY OF PARTIES.** The City has awarded the bid for the Project to the lowest qualified bidder ("Contractor") to complete the Project. The Parties agree that the City shall be responsible for managing the Project, including supervising and reviewing the work of the Contractor, overseeing any required testing and inspection, and acquiring the necessary permits for completion of the Project. The City's Representative shall communicate with the District's Representative concerning the Project and the District's Representative shall respond timely to requests for Project input and approvals.
- 4. TOTAL PROJECT COSTS.** The estimated total not-to-exceed cost of the Project is One Million Two Hundred Thirty-One Thousand Four Hundred Seventy-Seven Dollars and No Cents (\$1,231,477.00) ("Estimated Project Cost"). The Parties agree that the District shall pay the City for its share of the Estimated Project Cost, as well as its share of cost overruns

that exceed the Estimated Project Cost. The District's share of the Estimated Project Cost is estimated to be **Fifty-Two Thousand Seven Hundred Seventy-Seven Dollars and Fifty-Eight Cents (\$52,777.58)** ("District's Project Cost").

The District understands and acknowledges that Estimated Project Cost is an estimate based on the best available information and that actual construction costs may vary. If there are cost overruns associated with the Project, the District will pay the City its *pro rata* share of the cost overruns, which shall be calculated in the same proportion by which the District Project Costs were calculated ("Cost Overruns"). If there are cost savings associated with the Project, as determined upon completion of the Project and the City's acceptance of the Project, the City will refund to the District its *pro rata* share of the cost savings, which shall be calculated in the same proportion by which the District Project Costs were calculated ("Cost Savings"). Notwithstanding any other provision contained in this Agreement to the contrary, the District shall have no obligation to pay a *pro rata* share of Cost Overruns if the aggregate cumulative amount of the District's *pro rata* share of Cost Overruns exceeds ten percent (10%) of the District's Project Costs, without first having the opportunity to review and approve the amount of the Cost Overruns, which approval shall not be unreasonably withheld, conditioned or delayed.

## 5. DISTRICT PAYMENT IN TWO INSTALLMENTS; FINANCE FEE; LATE PAYMENT; DEFAULT.

- a. Installments. The District shall pay the District's Project Cost as follows:
  - i. Within thirty (30) calendar days of the Effective Date, the District shall remit **Thirty-Two Thousand Seven Hundred Seventy-Seven Dollars and Fifty-Eight Cents (\$32,777.58)** to the City.
  - ii. Within sixty (60) days of the City's acceptance of the Project, the City shall provide the District with an invoice for the second installment of the District's Project Cost in the amount of **Twenty Thousand Dollars and No Cents (\$20,000.00)**, as adjusted by Cost Overruns or Cost Savings, if any. The District shall pay the City the full amount of such invoice no later than **May 1, 2021**.
- b. Finance Fee. In recognition of the fact that the City will be making payments to the Contractor prior to receiving the full amount of the District Project Cost, the District agrees to pay the City a finance fee, which shall start accruing on January 1, 2021. The finance fee will be the same as the interest rate the City earns on its funds at the time of the District makes payment. Based on the interest rate the City currently earns, which is 0.56 percent, the finance fee is estimated to be \$12.17 per month.
- c. Late Payment. Any payment by the District that is made after the deadlines specified in this Section 5 shall be subject to a late payment penalty calculated at the rate of five percent (5%) per month or fraction thereof, and interest calculated at the rate of one percent (1%) per month or fraction thereof; provided, however, that if the District objects to or requests additional information regarding the accuracy or validity of any

requested payment, no such penalties or interest shall be imposed until the Parties have had an opportunity to confer and resolve the District's objections and /or request for additional information, as the case may be. The City can use any late payment penalties it receives pursuant to this Agreement for the Project or for any other authorized purpose.

- d. **Default.** If the District fails to pay the City all or part of the District Project Cost, as adjusted by Cost Overruns or Cost Savings, by December 31, 2021, or if the District fails to appropriate funds to fulfill its obligations under this Agreement, then the City, at its option and in the exercise of its sole discretion, has the following rights to enforce collection of the District Project Costs, along with any finance fee or late payment penalty then due and owing pursuant to this Agreement ("Fees and Penalties"):
  - i. Bill the users within the District directly for the District Project Costs and Fees and Penalties and exercise all avenues for payment and collection thereof, including imposing liens as provided by law;
  - ii. Exercise any other remedy available at law or in equity.

The District acknowledges and agrees that if the City undertakes any litigation or other proceeding to enforce collection of the District Project Costs and Fees and Penalties, the prevailing Party shall be entitled to recover the costs it incurs in connection with any such litigation or enforcement action including court costs and reasonable attorneys' fees.

Neither Party shall be deemed to be an agent for the other Party, and no agent, employee, or volunteer of any Party shall be deemed an agent, employee, or volunteer of the other Party under this Agreement. The Parties and their respective elected officials, directors, officials, officers, agents, and employees are relying upon and do not waive or abrogate, or intend to waive or abrogate by any provision of this Agreement, the monetary limitations or any other rights, immunities, or protections afforded by the Colorado Governmental Immunity Act, C.R.S., §§24-10-101 *et seq.*, as the same may be amended from time to time.

**9. INSURANCE.** Each Party shall insure themselves separately against liability, loss, and damages arising out of the operation of and performance under this Agreement. Notwithstanding the foregoing sentence, the City, however, shall cause the Contractor to obtain and maintain, at all times while the Project is being constructed and until acceptance thereof by the City, commercial general liability insurance in an amount not less than \$2 million and to name the District as an additional insured under the policy, which policy shall be primary to any liability insurance the District has in effect.

Exclusive venue for any action arising hereunder shall be in the County of Arapahoe, Colorado.

**11. ASSIGNMENT AND SUBCONTRACTING.** The District shall not assign or subcontract with respect to any of the rights, benefits, obligations, or duties under this Agreement except upon express prior written consent and approval from the City.

**12. NO THIRD-PARTY BENEFICIARY.** It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other or third person on such Agreement. It is the express intention of the Parties that any person other than the Parties receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

**13. STATUS OF PARTIES.** It is understood and agreed by and between the Parties that the status of each of the Parties hereto shall be that of separate, independent governmental entities and it is not intended, nor shall it be construed, that either Party or any employer or subconsultant of such Party is an employee, officer, or agent of the other Party for purposes of unemployment compensation, workers' compensation, or for any purpose whatsoever.

**14. EXAMINATION OF RECORDS.** The District agrees that any duly authorized representative of the City shall have access to and the right to examine any directly pertinent books, documents, papers, and records of the District involving transactions related to the Project or this Agreement, until the expiration of three (3) years after the final payment under this Agreement.

**15. SECTION HEADINGS.** The captions and headings set forth herein are for convenience of reference only, and shall not be construed so as to define or limit the terms and provisions hereof.

**16. SEVERABILITY.** It is understood and agreed by the Parties that if any part, term, or provisions of this Agreement is held by the courts to be illegal or in conflict with any law of the State of Colorado, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

**17. AGREEMENT AS COMPLETE INTEGRATION – AMENDMENTS.** This Agreement is intended as the complete integration of all understandings between the Parties, their successors and assigns. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or effect whatsoever, unless embodied herein in writing. No subsequent notation, renewal, addition, deletion, or other amendment hereto shall have any force or effect unless embodied in a written amendment executed by the Parties and signed by the signatories of the original Agreement. This Agreement and any amendments shall be binding upon the Parties, their successors and assigns.

**18. LEGAL AUTHORITY.**

A. Each Party assures and guarantees that it possesses the legal authority, pursuant to any proper, appropriate, and official motion, resolution, or action passed or taken, to enter into this Agreement.

B. The person or persons signing and executing this Agreement on behalf of each Party, do hereby warrant and guarantee that he/she or they have been fully authorized by the City or the District to execute this Agreement on behalf of the City or the District and to bind the City or the District validly and legally to all the terms, performances and provisions herein set forth.

**19. COUNTERPARTS OF THIS AGREEMENT.** This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which shall constitute one and the same document. In addition, the Parties specifically acknowledge and agree that electronic signatures shall be effective for all purposes, in accordance with the provisions of the Uniform Electronic Transactions Act, Title 24, Article 71.3 of the Colorado Revised Statutes.

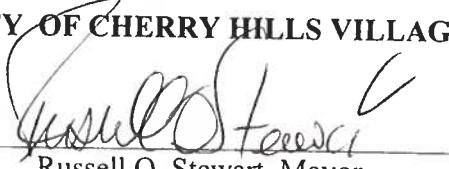

**20. RIGHTS AND REMEDIES NOT WAIVED.** In no event shall any performance by one Party hereunder constitute or be construed to be a waiver by such Party of any breach of covenant or condition or any default which may then exist on the part of the other Party, and the rendering of any such performance when any such breach or default shall exist shall in no way impair or prejudice any right or remedy available to the non-breaching Party with respect to such breach or default, and no assent, expressed or implied, to any breach of any one or more covenants, provisions or conditions of the Agreement shall be deemed or taken to be a waiver of any succeeding or other breach.

The Parties do not intend to violate the terms and requirements of TABOR by the execution of this Agreement. It is understood and agreed that this Agreement does not create a multi-fiscal year direct or indirect debt or obligation within the meaning of TABOR and, therefore, notwithstanding anything in this Agreement to the contrary, all payment obligations of the Parties are expressly dependent and conditioned upon the continuing availability of funds for such party beyond the term of the Party's current fiscal period ending upon the next succeeding December 31. Financial obligations of the Parties payable after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted, and otherwise made available in accordance with the rules, regulations, and resolutions of the individual paying Party and other applicable law. Upon the failure to appropriate such funds, this Agreement shall terminate.

**IN WITNESS WHEREOF**, the Parties have executed this Agreement as of the dates noted below.
