**UNFINISHED BUSINESS**

a. 75<sup>th</sup> Anniversary Celebration and Articles

The Committee expressed how pleased they were with the article to commemorate the 75<sup>th</sup> Anniversary in The Villager Newspaper.

Committee Member Wyman noted that The Villager can make any corrections to the article on the digital edition.

The Committee discussed corrections that will be forwarded to Co-Chair Maniatis for editing.

Co-Chair Maniatis shared some of the changes he already made to the digital article including the font to make it easier to read and more professional.

Co-Chair Maniatis pointed out that the Committee previously agreed that the body of the newspaper article would be four pages and a front cover. He credited The Villager Newspaper for providing double the coverage and for going above and beyond to work with the Committee on the final result. He said the City also received additional advertising and positive feedback from the Cherry Hills Country Club and Koelbel and Company who is the oldest developer in the City.

The Committee thanked Co-Chair Maniatis for his work on the article that exceeded all expectations.

Director Sager informed the Committee that the remaining funds in the 2020 budget for the photo exhibit must be spent before the end of December 2020 as they will not roll over into 2021. She confirmed that the amount remaining is \$4,113.86.

The Committee discussed selecting the remaining photos that will be used for the photo exhibit in City Hall and using the funds for the cost to mount the photos on the aluminum backing.

Co-Chair Maniatis asked if the photo lab could be paid in advance for the work they will be doing for the exhibit.

Director Sager replied that she can pay the photo lab in advance if she has an invoice describing what the funds will be used for.

Committee Member Tisdale asked what the cost is per unit to mount the smaller pictures on the aluminum board.

Co-Chair Maniatis responded that for 11 x 17 and 16 x 20 photos the price range is between \$100 and \$250. He noted that the Committee originally discussed mounting 9 to 12 photographs for the display. He said he will work with Co-Chair Barry to finalize a draft of the photo display that can be sent to the Committee for approval.

Committee Member Tisdale suggested getting an invoice from the photo lab and prepaying for anticipated work. He said it would be a good idea to return any remaining funds to the City.

Committee Member Wyman noted that some money will be required for labeling the pictures and marking streets on the aerial image.

Co-Chair Maniatis said he will contact the lab about the cost. He also suggested allocating some of the money for the usage rights of the photographs being used.

Committee Member Tisdale suggested that Co-Chair Maniatis assess the anticipated cost and request invoices for the following items:

- Photographic mounting
- Labeling costs
- Hanging rods
- The cost of the rights to use photographs

Director Sager said she will email the Committee a copy of the invoice for the original hanging system to give them an idea of what the additional rods will cost.

Committee Member Tisdale proposed that the expenses to be paid from the remaining 2020 budget should be assessed in good faith by Co-Chair Maniatis who will provide City staff with the appropriate invoices. He stated that any remaining balance will be returned to the City and the Committee does not have to take further action beyond authorizing the process at this meeting.

The Committee agreed to discuss the venue for the 2021 Gala event at their February or March meeting.

Co-Chair Maniatis stated that he spoke with the Cherry Hills Country Club and although they will start renovation in 2021, they agreed that the event could be held outdoors at their tennis and swim facility that can accommodate a large group.
