## **RESIDENTIAL DEVELOPMENT STANDARDS COMMITTEE TO HOLD PUBLIC INPUT MEETING**

The Residential Development Standards Committee (RDSC) will be holding a public input meeting on Monday, May 4, 2009 at the Village Center. The meeting will start at 6:00 p.m. Refreshments will be served.

This five-member citizen advisory committee, appointed by the City Council in September of 2008, was established in response to the numerous concerns expressed by the residents of the Village to study the impact of development on the character of the community.

The RDSC has been asked to provide a comprehensive evaluation of Village residential zoning and building standards and to provide recommendations to the City Council on possible actions that the Village could take to address concerns. After several months of research, evaluation of the Village Master Plan, meeting with focus groups and discussion, the RDSC has created a list of priority issues to evaluate. These issues include: home size, building height, building setbacks, grading, open space, and landscape preservation.

The public input meeting will include an update by the Committee on their research to date, and include public comment and discussion on possible solutions to the issues being addressed by the Committee.

If residents are unable to attend the meeting, but would like to participate in the Committee's work, they may attend any of their regular meetings or provide the

Committee with written comments. The Committee typically meets every other Monday at 4:00 p.m. at the Village Center. To find out when the next regular meeting will be held, please visit the Village website at [www.cherryhillsvillage.com](http://www.cherryhillsvillage.com) or call the Community Development Department at 303-783-2721.

---

## **CHV EARTH WEEK CELEBRATION APRIL 20-25, 2009**

Come and enjoy some lemonade and iced tea and bring your recycling to the Village Center at 2450 E Quincy Avenue on **Saturday, April 25, 2009**.

Start this beautiful spring morning off with a family nature bird walk hosted by bird enthusiast **Dave Schmidt** and join Master Gardener **Luan Akin** to learn the latest techniques for herb gardening while the kids spend time with the Parks Department planting their own seedling trees.

### **Nature Bird Walk on the High Line Canal with Dave Schmidt**

Dave Schmidt has been a resident of Cherry Hills Village for 28 years and served on the Parks and Trails Commission for 15 years. Dave started studying different species of birds as a hobby several years ago, and we are excited that he is willing to share his expertise on the bird species that nestle in our backyards and along the High Line Canal.  
*(more p. 3)*

Mayor Mike Wozniak

## MAYORAL MUSINGS

As summer approaches, I recommend our City website and the City information on Channel 22, both of which should be up and running during April this year. You'll find significant information about City programs, services and related issues.

### Establishment of Open Space Program

Council is establishing the "Catherine H. Anderson Land Donation Fund" to honor Cat Anderson's generous gift of the conservation easement on the Anderson property to Colorado Open Lands bordering the High Line Canal. We have authorized the transfer of significant reserves to the Fund and are considering annual transfers of funds from other sources. Stay tuned for the details of this program, and keep it in mind if you are in a position to consider donations towards open space preservation. The Fund is a way for the Council to renew its commitment to our 2006 Resolutions supporting open space and the recommendations of the Blue Ribbon Panel.

### RFP for Village Center Area

Council has issued an RFP for re-design and re-development of the Village Center Area. No decisions to proceed have been made, but the Council has determined that it is prudent to re-evaluate the work previously done, incorporate the recommendations of the City Center Citizen's Committee, and review the options that the existing City facilities and campus area offer. Please stay tuned.

### Land Dedication

Based upon recommendation of the Parks, Trails and Recreation Committee, Council has been studying and evaluating the land dedication requirements imposed on prospective subdivisions. There has been significant public input, and Council continues to evaluate the issue. The difficult challenge is to balance the community's desire for open areas, parks and trails memorialized in the Master Plan with private property rights.

### Budget

Our property tax collections are now estimated to be \$100,000 lower than originally expected, but we continue to feel that we will remain on budget for fiscal year 2009. Audited financial statements will be presented at the next City Council meeting on April 7, 2009.

### Legislative Issues

I participate in the Metro Mayors Caucus, and Council Member LaMair participates in DRCOG. Through those organizations, we are periodically asked to support our regional local governments in various legislative endeavors. Recently, we have been asked to support the "FASTER" bill which was signed by Governor Ritter in March. This bill was expected to generate approximately \$250,000,000 for transportation projects including improvements to more than 100 structurally deficient and obsolete bridges.

Another recent challenging issue for regional mayors is FasTracks. To build the FasTrack/light rail system completely by 2017 would entail supporting a 0.4% (4¢ per \$10.00) sales tax increase to take effect no sooner than 2011. This is necessitated because the current projection for sales tax revenue is down 31% from the 2004 Plan projection.

We have done our best to continue to support our regional neighbors in the Metro area and to work well with all of our adjacent cities.

### South Suburban Appeal

Oral argument has been set by the Colorado Court of Appeals in the South Suburban litigation for April 21, 2009. We are hopeful that the Court of Appeals will render a favorable decision in early summer of 2009.

### Coyote Hotline

Animal Control Officer, Michelle Edwardson, is doing an excellent job. Michelle has established a coyote hotline (**303-783-2708**), and we are working with Greenwood Village and other adjacent communities in implementing our coyote plan. We are beginning to see some progress and have not authorized the use of firearms to kill coyotes in the Village.

I remain excited that we continue to maintain a lean City government and avoid any tax or fee increases while still maintaining the level of services you deserve and expect. These goals have been accomplished by the dedicated voluntary service of our City Council Members, Planning and Zoning Commission, Board of Adjustment and Appeals and Parks, Trails and Recreation Commission, as well as the staff of the Village Crier. I want to personally thank the City staff and Police Department for their continued efforts to exceed our expectations. We are truly blessed to continue to live in the City of Cherry Hills Village, and I want to warmly thank all of our City volunteers and staff members. Have a great beginning of summer.

*Mike*

***Graduate Information Wanted - see page 8 of this issue for details.***

# FROM THE CHERRY HILLS POLICE DEPARTMENT

## DEPARTMENT PROMOTIONS

**Sergeant Patrick Weathers** has been employed as a police officer with the Village for the past 28 years. Pat was promoted to sergeant in 2005. Throughout his career he has established an exceptional reputation and work performance record. Officer Weathers has the most seniority as

a sergeant and as a result of that achievement he was recognized as "Senior Sergeant" at the March 3rd Council meeting.

Jake Campbell, who has been an officer with the Village for the past 4 years was promoted to the rank of police sergeant At the March 3rd Council meeting. **Sergeant Campbell** is married to Megan and is the father of three sons.

## COUNCIL AUTHORIZES FUNDS FOR COUNTY DISPATCH SERVICES

The Arapahoe County Sheriff's Office provides Emergency 911 and Communications Center services to the Village and has done so for the past 30 years. Up until last year, the Village had not been billed for these services by the County; however, the recent downturn in the economy has forced Sheriff Robinson to begin charging municipalities for use of the County's Communications Center.

The annual service fee for these services is based upon its operating costs divided by the number of calls of service for each participating agency.

The 2009 Communications Center contract is \$82,700 which is a 3% increase over the 2008 billing ( but was originally budgeted for \$90,000). Council voted to approve this agreement at its March 3rd meeting.

## POLICE DEPARTMENT RECEIVES FEDERAL GRANT

The Police Department has received a Federal Grant for \$18,000 for the purchase and installation of a bi-directional antenna which improves radio reception and transmission capabilities.

## EARTH WEEK ACTIVITIES ( from page 1)

Join Dave Schmidt on Saturday, April 25<sup>th</sup> for a relaxing nature walk along the High Line Canal as he provides education on the different bird species, their habitat and nesting habits. Families of all ages are encouraged to join him, but please leave pets at home so they do not scare the birds. Bring your binoculars and bird books if you like. Please contact Pamela Broyles at **303-783-2744** for additional information or to *sign-up for the walk tentatively scheduled for 7:30 a.m.* Sign-up is not required in advance, but would be helpful so all guests can be accommodated.

## GUEST SPEAKER LUAN AKIN, MASTER GARDENER, TAGAWA GARDENS

### Planting Indoor/Outdoor Herb Gardens

Even a small plot can grow all the herbs a small family would need. If not grown for use in cooking, herbs are worth growing for pleasant aromatic foliage and some of them for the beauty of the flowers as well. Tagawa Gardens, located at 7711 South Parker Road, is proud to present Luan Akin, Master Gardener, to speak on the benefits and simplicity of growing your own herb garden.

Luan Akin joined Tagawa Gardens from CBS4 News where for years we watched her report from Copter4 on breaking news stories. Luan trained as a Master Gardener and produced a weekly series of popular television segments called "Gardening Together." Luan specializes in bringing the latest in gardening information techniques and trends to experienced gardeners and novices alike. She is excited to share her expertise in herb gardening with the Cherry Hills Village community. Luan will share skills on how to grow indoor and outdoor herb gardens and the many benefits they provide. She will also talk briefly about xeriscape and some popular plants that are great for planting in our community. Luan will bring several plant samples and will be available to answer questions.

Join Luan at the Village Center, at 2450 East Quincy Avenue from 10:30 to 11:30 a.m. on Saturday, April 25th. The event will be moved inside the Village Center in the event of rain.

### HANDS-ON FUN FOR KIDS

While parents are becoming experts in herb gardening, kids can get their hands dirty by joining the Parks Department to learn about growing and caring for trees and plants. Kids will be able to plant their own tree seedling to take home with them.

Please contact **Pamela Broyles** at **303-783-2744**, or go to the City's website in the near future at [www.cherryhillsvillage.com](http://www.cherryhillsvillage.com) for updated information as we are also planning other "Earth Week" events that you won't want to miss.

# FROM ANIMAL CONTROL

**PET LICENSING – DON'T FORGET!** All pets residing in Cherry Hills Village must be licensed each year and the licenses expire on March 1<sup>st</sup>. There is some confusion regarding the difference between a rabies tag and a CHV dog license. They are not the same thing. In order to license your dog you need to come in to the Cherry Hills Police Department and bring your dog's current rabies information, along with \$10.00 fee per dog. Once you have licensed your dog, you will receive a reminder card the following year. Pet licenses are so important in getting loose dogs returned to their owners as quickly as possible and helps to insure that dogs are current on their rabies vaccinations.

**KENT DENVER IS NO LONGER ALLOWING DOGS TO BE OFF LEASH ON THEIR PROPERTY.** After a lot of discussion, Kent has decided it is time to have the City's leash-law enforced on their property. A thirty-day warning period and new signage have given everyone a chance to get used to the changes. Now dog owners that let their dogs off leash, or violate any other CHV animal ordinance may get issued a summons.

**A COYOTE HOTLINE HAS BEEN ESTABLISHED.** This hotline is to give our residents information on coyote activity, how to keep your pets and family safe, or just to report a sighting of coyote. We use this information for tracking coyote activity within the City. If you would like information sent to you regarding coyotes and local and state laws, please leave your information on the hotline and I will send it to you. The number for the hotline is **303-783-2708**. The City has also purchased whistles for the hazing of coyotes or just to keep with you while out walking. If you would like to have one of these whistles, you can stop by the Village Center during business hours or I have them in my truck at all times.

Please give me a call if you have any questions regarding animals or any of our animal ordinances. My number is 303-783-2739. Michelle Edwardson CHV Animal Control Officer.

## PROPERTY TAX VALUATION AND ASSESSMENT

Property tax valuation and assessment are determined every two years by the Arapahoe County Office of the Assessor. Property values (actual values) are most often determined by comparing your property with properties that are similar in general location, design, size, age, and amenities. The value placed on your property by the County in 2009 is based on sales between January 1, 2007 and June 30, 2008, which is known as the "Sales Comparison Approach". A copy of this method for your property is available from Arapahoe County and was also included with the Notice of Value sent to you from the County.

Your property taxes are calculated by taking the actual value multiplied by the assessment rate multiplied by the mill levy. The residential assessment rate is 7.96% for 2007 and 7.96% for 2008. The assessment rate for all other property, including vacant land is 29%. Below is an example based on a property that has a \$1,000,000 actual value (please note this is only an example and your property value and total mill levy may be different).

Each individual taxing authority such as school, county, city, fire district, water and sanitation district, and recreation district sets its mill levy. These authorities provide services to you and are listed on your last tax notice.

For more information on property tax values and assessment you can visit [www.co.arapahoe.co.us](http://www.co.arapahoe.co.us) or call the Arapahoe County Assessors office at 303-795-4600.

|                          |              |

# FROM PT&R

## NEW SHELTER AT WOODIE HOLLOW PARK NEARS COMPLETION

Our city parks crew is busy completing the new shelter at Woodie Hollow. With the exception of the actual shelter and stone pillars, our crew has done all of the work including the stamped concrete, stone walkway, and picnic pad. As weather permits, they will plant and finish the gardening work of moving dirt, seeding, and planting. This new structure and surrounding area will provide a pleasant place for a picnic or rest stop. Come and see the fine work our Village crew has done!

## FUN WALK TO TAKE PLACE ON BIG DRY CREEK TRAIL

**On Sunday, May 3rd**, the South Suburban Park Foundation will sponsor a **5K Legacy Walk** to celebrate the completion of the Big Dry Creek Trail between the Mary Carter Greenway and the High Line Canal Trail. The walk begins at Broadway and Rafferty Gardens just south of Bellevue and will follow the just completed new section of the trail. A ribbon cutting will take place at 9:00a.m., and the walk will begin at 9:15 a.m. Walkers will receive a T-shirt. The cost of the walk is \$12 prior to race day and \$20 on race day. Families and teams can pay \$25 for four or more participants. Cherry Hills Village participated in funding the project by serving as the pass-through recipient of an Arapahoe Country Open Space grant. To pre-register for the event go to the South Suburban Park Foundation Website: [www.sspf.org](http://www.sspf.org) or pick up a registration form at the Village Center 2450 East Quincy Avenue, CHV.

*The new trail as it nears completion just west of Broadway*

## ADVERTISEMENTS

CRIER advertisements will be provided for a fee to Village residents and advertisers living outside the Village. Ads should be limited to 40 words and may be purchased for the entire year. **Publication does not imply endorsement.** The Crier reserves the right to reject ads. To inquire about placing an ad call Martha Welborn, editor, at 303-773-6115 (fax 303-267-0863) email [mwelborn@ecentral.com](mailto:mwelborn@ecentral.com), or mail the ad to The Crier, 2450 East Quincy Ave., Cherry Hills Village, CO 80113.

## FOR RENT

## PASSAGES

**Helen Brainerd**, age 77, passed on March 18th. She is survived by her husband of 50 years, Frank, and her children; Stephen, Sally, and Susan. Mrs. Brainerd was a long time Village resident and was well known as a water-color artist.

The Village community sends its condolences to the Brainerd family.

## NEW CITY ENGINEERS

At their March 17<sup>th</sup> meeting, the City Council appointed ICON Engineering, Inc. to serve as the City's engineer. ICON is new to the City, but has extensive experience working in the metro-area and across Colorado on a wide range of engineering projects. Penn Gildersleeve, Principal and one of the founders of ICON, will serve in the capacity of City Engineer. Penn has over 35 years of experience as a consulting engineer. Troy Carmann, Senior Project Manager with ICON, will serve as the day-to-day contact on City projects. ICON will be assisting the City staff on the review of development and subdivision applications, and represent the City on any engineering issues that arise.

## RECREATION REIMBURSEMENT DONORS

The City wishes to thank the following residents who have donated their recreation reimbursement back to CHV's Land Donation Fund - a fund set up to help purchase available open space in the Village.

Many thanks to: Karen Kafadar, Michelle Hanley, Martha Welborn, Glenn & Jeanne Tubb, Katherine Farrell, Martha Davis, Frank & Myra Isenhardt, Nikki Moller, and Debra Tuchman. Thank you! Thank You! Thank you!

**NEXT CRIER DEADLINE: MAY 15TH**

## CHERRY HILLS VILLAGE BABYSITTERS

*The Crier offers the following list as an information service only. The Crier does NOT review babysitter qualifications; Villagers must screen babysitters themselves.*

*\*Indicates Pet and Plant care    \*\*Indicates housesitting*
