TREE PRESERVATION ORDINANCE ADOPTED

An ordinance creating standards for the preservation of established trees during new development and major redevelopment has been adopted by the City and went into effect on August 8th. The regulations aim to preserve the privacy and value of existing homes; preserve the semi-rural character of the community; screen nighttime light pollution from roads and adjacent properties; and preserve wildlife habitat and shade.

The regulations state that any established trees in the setbacks must be protected and preserved when a new home is built or a major addition is made to an existing home. If a tree is removed or accidentally destroyed during construction, it must be replaced with one or more trees based on the total inches of caliper removed. If a tree is removed but placed in another location on the property, it does not need to be replaced.

For more information on the new standards, please contact the Community Development Department at **303-783-2721** or email rzuccaro@cherryhillsvillage.com. The adopted ordinance can be viewed on the City's website at www.cherryhillsvillage.com.

NEW ZONING STANDARDS FOR RETAINING WALLS

An ordinance creating zoning standards for retaining walls has been adopted by the City and went into effect on August 8th. This ordinance is intended to address concerns regarding the overall height of retaining walls, the setback of retaining walls from shared property boundaries and privacy issues related to changes in grade resulting from retaining walls.

The ordinance provides that all retaining walls must be set back from any lot line a minimum distance calculated using the height of the retaining wall. Also, it establishes height restrictions for retaining walls and limits the height of fences on top of retaining walls. All retaining walls must now go through the building permit application process.

For more information on the new regulations please contact the Community Development Department at **303-783-2721** or email ekropf@cherryhillsvillage.com. The adopted ordinance can be viewed on the City's website at www.cherryhillsvillage.com.

MAYORAL MUSINGS

Mayor *Mike Wozniak*

Hope your summer has been safe and happy! Your City Council has been busy.

After many years of discussions concerning house size and construction issues, the Council, in 2008, appointed the Residential Development Standards Committee (RDSC) to consider the issues and make recommendations. This Committee is comprised of **Linda Behr, Tracy James, Andrew Neilsen, Peter Savoie and Steve Szymanski**. The RDSC developed a package of recommendations concerning residential construction standards in the Village. The Council has now begun the process of following through on the RDSC's thoughtful and thorough report:

- Earlier this summer, Council passed a tree preservation ordinance that requires tree replacement in the event of major construction or a major renovation.
- Council has now passed, on first reading, a floor area ratio and a bulk plan ordinance to try to address construction of residences which extend all the way to the zoning lot setbacks. Once adopted, this ordinance will prevent "long walls" on a property setback line and will establish a maximum building footprint in each zone district.

We are indebted to the RDSC for these recommendations and will continue to evaluate other RDSC recommendations as the year progresses.

I recently met with the new Mayor of Denver, Michael Hancock, and his local government liaison team. They stressed that they are intent on continuing former Mayor Hickenlooper's policy of regional cooperation. Greenwood Village Mayor, Ron Rakowsky and I are also meeting to continue to evaluate the viability of sharing services between Cherry Hills and Greenwood Village.

The plans for a combined police and fire station are coming along expeditiously, and we are pleased that the public input sessions have been well received. Stay tuned for further information on our exciting plans to create a modern, workable facility for our police and the South Metro Fire District fire station in our community.

Council has begun working on our 2012 budget. As you know from prior columns, we continue to balance our budget every year and make cuts as appropriate to ensure that we operate the City on a fiscally sound basis. As the budget takes shape in the early fall, we invite your input and comment with respect to best practices that we can implement to make certain that the City continues to run efficiently while providing the services that we all need.

Enjoy what is left of the summer and please feel free to join us at any City Council meeting especially when the agenda includes a matter of interest to you. Our agendas are posted on the City website.

Mike

MISSION STATEMENT

"It is the Mission of the City of Cherry Hills Village, its Council and Staff, to preserve and enhance the pastoral environment, the low density residential zoning, and the high quality of services and public facilities that exist in the Village."

NEXT CRIER DEADLINE: SEPTEMBER 23RD
--

FROM CHV POLICE

TELEPHONE & EMAIL FRAUD ALERT

In recent months several citizens of Cherry Hills Village have reported incidents involving telephone and email fraud. In most cases an individual contacted the victim claiming to be a friend, a family member or an attorney representing someone known to the victim. The individual requests the immediate transfer of money to "assist" the alleged acquaintance of the victim. Oftentimes, the request is through a monetary wire transfer with the destination in a foreign country.

These scam artists are very persuasive and often appear credible as they may have personal information regarding the victim's relative. The police department recommends checking further into any such story before making any monetary obligations. Victims of these scams may receive a telephone call, an email or a letter requesting money to get a friend or relative out of jail, to cover medical expenses or to assist with someone who is stranded in a foreign country claiming that they lost their identification and credit cards. Again, the majority of these requests involves some type of monetary transfer to a foreign country.

The police department strongly encourages you not to send money to anyone that you do not know and would recommend contacting the police directly if you receive such a request. You may also contact the police department at **303-761-8711** for more information on how to protect yourself against this type of fraudulent activity or for additional advice and how to deal with these types of requests.

PROPOSED BULK PLANE & FAR ORDINANCE PUBLIC HEARING

City Council will hold a public hearing on **Tuesday, September 6th** to review the proposed Bulk Plane and Floor Area Ratio (FAR) zoning ordinance on second reading. The proposed ordinance can be viewed in its entirety at www.cherryhillsvillage.com.

BOARD POSITION OPEN ON P & Z

The City is currently accepting applications for a position on the Planning & Zoning Commission. Applications and more information can be found on the city's website at <http://cherryhillsvillage.com/planningzoningcomm.aspx>.

FLU SHOTS AVAILABLE IN OCTOBER

The Front Range Flu Clinic, LLC will be providing flu shots on **Monday, October 17, 2011 9:00 - 11:00 am.**

The cost is \$26 for the flu shot and \$32 for the flu mist.

The clinic will be held at the Village Center at 2450 East Quincy Avenue.

If you have any questions, please contact Jessica Sager at **303-783-2720** or Front Range Flu Clinic at **303-797-3396**. **Please be advised this is a walk-in clinic only, Front Range Flu Clinic does not take reservations.**

FROM CODE ENFORCEMENT

WEEDS AND OTHER ISSUES

Due to the great rain we've experienced lately; the weeds and grass are growing quickly and can easily get out of control. As a reminder, the Code Enforcement Department sends out notices for weeds that are over ten inches in height. If the problem is not corrected, the owner can be cited to appear in Municipal Court.

Other common complaints for Code Enforcement are: uncovered trash, piles of branches, left over construction material, broken fences, trees and bushes growing in the right-of-way and/or obstructing traffic views at intersections, and dead or diseased trees.

As a reminder, residents who have landscaping crews at their property must let them know that the City does not allow dumping or storage of any landscaping materials (i.e., mulch, dirt, rocks, etc.) on City streets or in rights-of-way. Residents should also make sure that roll-off dumpsters or port-a-lets are not placed on any City streets or in the rights-of-way.

For questions or complaints, you can call the Code Enforcement hotline at **303- 783-2752**. You can also contact Code Enforcement Officers, **Chuck Friend** at **303- 783-2724** or **John Bayman** at **303- 783-2755**.

CONSTRUCTION HOURS REMINDER

In the City of Cherry Hills Village, construction hours are Monday-Friday from 7:00 am to 6:00 pm and Saturday from 8:00 am to 4:00 pm. Interior construction is allowed on Sunday within an entirely enclosed structure from 8:00 am to 4:00 pm. For questions or complaints, please call the Code Enforcement HotLine at **303- 783-2752**.

DEPARTMENTS RECEIVE AWARDS

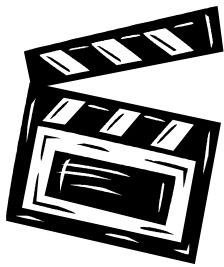

Left to right, Ryan Berninzoni, Josh English, Daniel Ramirez, Bill Bauer, Matt Krebsbach, Ralph Mason, Jeff Roberts, Jay Goldie, Jake Hennelly, Ralph Collins and (in truck) John Hogue.

Congratulations to the Public Works Department and the Parks and Trails Department which recently received four awards from the Colorado Intergovernmental Risk Sharing Agency (CIRSA) for promoting positive public safety and maintaining an exemplary safety record!!

2011 ARAPAHOE COUNTY GRANT AWARD

In June of 2011, the City of Cherry Hills Village was awarded a \$46,000 Planning Grant to be used at the Quincy Farms residence. In 2008, **Catherine H. Anderson** made the generous life estate donation of her property to the City of Cherry Hills Village with the conservation easement to Colorado Open Lands. Ms. Anderson continues to live on the property today. The ownership of the property will revert to the City at the end of the Life Estate. The planning grant will be used to further assess the property in its current state in an effort to surmise future uses and project maintenance and improvement costs. City staff is excited to move forward and begin the planning for the estate.

CHERRY HILLS VILLAGE BARN TOUR COMING THIS FALL!!

CHLP HOSTS BARN TOUR AND IS “LEAVING THE BARN DOOR OPEN...”

Five Village barns will be highlighted as part of the first annual **Cherry Hills Village Barn Tour on Sunday, September 18 from Noon-4 pm**. The self-guided tour will offer visitors a special look inside three of the five featured barns, all of which celebrate the equestrian lifestyle and pastoral nature of the community

The barns, all located along the Quincy corridor, will also offer a different theme ranging from horse grooming and showmanship, to barn history, restoration and architecture. Additionally, The Raptor Education Foundation will be on hand with a live presentation for all ages.

Tour maps will be available at two hay bale locations on Quincy Avenue on the day of the event. The barn tour is free, but donations will be accepted. Visitors are encouraged to ride their bikes, saddle up their horses or walk the route, as parking will be limited.

A Barn-style fundraiser and cocktail party will kick off the tour the night before on Saturday, September 17th, 5:30-8 pm at the barn of Katy and Paul Rady. The party will feature music, food, a silent art auction and the first screening of the recently-produced Quincy Farms: A Gift of Land - the Cat Anderson Video Story. Epoch Estate Wines, owned by residents and vintners Liz and Bill Armstrong, will also be available for wine tasting and pouring of their new Epoch Rose. Tickets are \$40 per person/\$75 per couple.

The party is a benefit for the Cherry Hills Land Preserve, a local non profit organization dedicated to preserving natural open lands in Cherry Hills Village through leadership, stewardship, education and advocacy.

Sponsors of the event are Steele Street Bank and Trust and Fuller/Sotheby's International Realty and its broker associates including Nancy and Fred Wolfe, Linda Behr, Janet Kritzer, and Ann Ludwig. For more tour information or tickets to the party, please visit CHVLP.com or call **303-584-0601**.

Reminiscent of the historic Northwest barns built during the Depression era, this barn, which will be open on the tour, is accentuated with reclaimed timbers and an original 1919 Aeromotor windmill.

This charming light-filled barn is user and horse-friendly. It is also home to two miniature horses and one goat.

ART COMMISSION APPOINTED

L to R: Councilmember Klasina VanderWerf, Teresa Harbaugh, former Councilmember Ann Polumbus, Gay Warren, and Douglas Smooke were appointed by Council in July to serve on the new Art Commission.

CHERRY HILLS VILLAGE ANIMAL CONTROL

MICHELLE EDWARDSON RESIGNS

After 11 years of dedicated service to the City, Animal Control Officer **Michelle Edwardson** resigned from her position to pursue a job opportunity in the private sector. Throughout her career with the City, Michelle fostered outstanding working relationships with many residents within the Village and took pride in working with both domestic and wildlife issues.

Michelle was an integral part in creating the City's Coyote Management Plan and securing services with our new animal sheltering service, the Humane Society of the South Platte Valley. Michelle's genuine compassion for animals and her extensive knowledge of the City will surely be missed. The police department wishes Michelle all the best in her new endeavors.

A hiring process is currently underway to fill the Animal Control vacancy; the department has received numerous inquiries from well qualified applicants. The City is very selective in whom it hires and will continue to maintain a high level of service regarding all animal related matters.

ADVERTISEMENTS

CRIER advertisements will be provided for a fee to Village residents and advertisers living outside the Village. Ads should be limited to 40 words and may be purchased for the entire year. **Publication does not imply endorsement.** The Crier reserves the right to reject ads. To inquire about placing an ad call Martha Welborn, editor, at 303-773-6115 (fax 303-267-0863) email marthawelborn@gmail.com, or mail the ad to The Crier, 2450 East Quincy Ave., Cherry Hills Village, CO 80113.

SCHOOL BACK IN SESSION & CONSTRUCTION ZONE HEADS UP

With the coming of fall and the new school year, residents are reminded to **d-r-i-v-e s-l-o-w-l-y** in school zones during drop off and pick-up times. The speed limit during those times on University near St. Mary's and Cherry Hills Village Elementary School is 20 mph. Near West Middle School the speed limit during pick-up and drop-off times is 25 mph. Also, drivers should be aware that **finest are doubled** if they are caught speeding during the drop-off and pick-up times (when the yellow lights are flashing).

Construction zone "slow down" areas are also subject to the "finest doubled" law. Please drive safely.

PASSINGS

Charles Howard "Howie" Kelsall passed away in July at age 89. He was married to Helen for 60 years. He is survived by four children and their spouses; Amy, Douglas (Pamela), Tammie Hand (David), and Brian (Cathleen Clancy); as well as eight grandchildren.

Former resident **Robert Floyd Welborn** passed away on May 24th at age 91. He is survived by his wife of 65 years Frances "Salty" Welborn. Bob was a Cherry Hills Councilmember during the 1950s and also served on the first Cherry Creek School Board. He is also survived by his four children and their spouses: Jeff (Martha), Robin Smith (Bruce), Robert (Rhonda), and David (Ellen); and by 11 grandchildren and 7 great grandchildren.

Our thoughts go out to the families of our recently departed friends and neighbors.
