JOHN REYNOLDS 30 YEARS OF SERVICE

Our department proudly celebrated a remarkable milestone in our law enforcement community: the 30-year anniversary of John Reynolds, our esteemed Support Services Supervisor. With unwavering commitment and tireless dedication, John has become an invaluable asset to our department and a trusted leader among colleagues.

After starting with Cherry Hills Village Police as a reserve officer in 1992, John's father (who was a career long Denver police officer) told him to find a place that shared his values, that would allow for him to grow in his chosen career and that would afford him a life of greater balance and so, two years later, when the opportunity of full-time employment came up, he seized the chance and never looked back.

Over the last 30 years, John has had many amazing accomplishments. Just to name a few as a police officer, John took

on additional responsibilities such as an Arrest Control instructor, Firearms instructor for many years and was also a canine handler, with K9 Magnum. John also had a passion for DUI enforcement and in 2005, he received an award from Mothers Against Drunk Driving (MADD) for those efforts.

He was named "Officer of the Year" for heroic actions in a rescue attempt after 3

employees working on a water main break in front of Cherry Hills Country Club, fell into the hole. During another shift, he was on patrol and spotted a smoldering fire directly under a family's natural gas box. He was able to evacuate the family and notified the Fire Department. He received a Police Commendation Award for that action.

Cherry Hills Village Police Foundation Presents ANOTHER SUCCESSFUL END OF SUMMER EVENT!

Third Annual CHV Car Show benefits the Cherry Hills Village Police Department

By Debra M. Berger

Photos by Scottie Taylor Iverson

Year three of the Cherry Hills Village Police Foundation Car Show was a resounding success, showcasing the incredible community spirit and collaboration that our residents and local business owners embody. The parking lot overflowed with a stunning array of vehicles, featuring everything from antique classics to exotic sports cars and innovative electric vehicles.

The musical backdrop was provided by Dr. Ted Parks and The Busted Bones Band, who delivered a fabulous performance that kept spirits high and encouraged attendees to enjoy the day to its fullest.

A key highlight of the event was the silent auction, which featured a vast selection of fabulous items. The funds raised from this auction directly support essential resources for the Cherry Hills Village Police Department, reinforcing the Foundation's commitment to transparency and accountability.

As we reflect on this wonderful event, we encourage everyone to continue engaging and supporting future initiatives. The Foundation is dedicated to enhancing public safety and officer well-being in Cherry Hills Village, and your participation makes all the difference. Thank you for being a part of this vibrant community!

John Reynolds 30 Years of Service continued from page 1.

In 2006, he was promoted from Officer to Sergeant and then to Senior Sergeant in 2010. In 2012, John was seriously injured in an off-duty dirt bike accident. Due to the injury, he was unable to perform the duties of a police officer and moved to his current civilian position of Support Services Supervisor. He oversees functions such as code enforcement, records, property and evidence, fleet, technology, policy management, accreditation, and crime analysis... and pretty much anything else that doesn't fit perfectly in another box or that the department needs.

CONGRATULATIONS, JOHN, ON THIS OUTSTANDING ACHIEVEMENT!

Here's to many more years of excellence and inspiration in law enforcement!

MAYOR/COUNCIL REPORT

“Always do right. It will gratify some people and astonish the rest.”

- Mark Twain

I have been asked to write a column about my eight years on Council.

It has been an absolute privilege to serve our wonderful citizens of Cherry Hills Village. Having served on the Planning and Zoning Commission for three years I had a general understanding as to how our government works. Upon being elected by a small majority (Landslide Al), I relied on certain mentors to educate myself on the duties and responsibilities of a councilmember. I relied on my spouse who served eight years on Council and Alex Brown who succeeded her and preceded myself, and Laura Christman who was Mayor and previously headed Planning and Zoning. The City provided orientation and education about the do's and don'ts.

I feel that the most important thing to understand is that Council is nonpartisan. Thus, it allows for the free flow of ideas without the interference of political biases. I have worked with all members of Council, who come from all political persuasions, to resolve any and all issues that come before us to the benefit of our residents. I want to thank each of the members I have served with for putting the interests

of the citizens first, without any political bias.

I am proud of what Council accomplished during my terms. We undertook, along with Greenwood Village, the installation of a stoplight on Bellevue Avenue at Glenmoor Country Club. It was warranted due to a fatal accident many years ago, but CDOT was a roadblock, and it took some eighteen years to get it done. We renamed the Swastika Acres subdivision, located in the southwest quadrant of our Village. It had been named that many years before the Nazis used that symbol, but it carried a stigma. I, along with other members of Council, stood fast to retain Quincy Farm's ownership by the City, despite other efforts to give up title.

Councilor Earl Hoellen and I have worked on multiple proclamations and resolutions together, including one to honor Senator John McCain upon his death as well as one in support of Israel in its defense against the war launched by Hamas and other terrorist organizations.

As to other responsibilities of the job, I spent four years as the

liaison to the Public Works Department, two years as the liaison to the Finance Department and two years as liaison to the Police Department, thus observing and participating in many aspects of Cherry Hills Village operations.

I want to welcome the new members of Council. I also want to thank each of the Council members and Mayors I have worked with over the past eight years, the entire staff of the Village including City Managers, and especially City Clerk Laura Gillespie without whom the City could not function.

It has been an honor to work with Council, especially Randy Weil and Dan Sheldon who have served all eight years with me. We always did what was best for the City. As Mark Twain once said, “Always do right. It will gratify some people and astonish the rest.”

Know Before You ROW

Whether by bike, by car, or on foot, one of the reasons that the City's rights-of-way (ROW) exists is to safely move people in and around the Village. Since all ROW are owned by the City, there are regulations within the Municipal Code regarding private improvements within the ROW. Depending on location, landscaping such as boulders, trees and bushes may not be allowed in the ROW. Due to the pastoral character of Cherry Hills Village, it is often difficult to know where the ROW ends, and private property begins. It can be further complicated because the boundaries of the ROW do not always coincide with physical improvements (e.g. pavement or a formalized dirt road). Often, the City's ROW extends beyond what is paved or formalized. Before installing any of these improvements next to a street or road, property owners should contact the City. For more information on improvements adjacent to, or within City ROW,

you can contact the Cherry Hills Village Public Works Department at (303) 783-2744, stop by the Village Center at 2450 E. Quincy Avenue, or visit the City's Public Right-of-Way (ROW) Permits page at: <https://www.cherryhillsvillage.com/172/Public-Right-of-Way-Permits>.

VILLAGE CRIER MAILING LIST REFRESH

It has come to our attention that some new

residents are not receiving the Village

Crier because the former owner of the home requested to receive an electronic version of the paper, and not a hard copy.

Because the city does not know when a home has been sold, a hard copy is not delivered to the new owner. Beginning in January, we will reset the Crier mailing list to go to all homes in the Village in an effort to make sure new residents receive the Village Crier. If you have elected to receive only an electronic version of the Crier and want to continue to do so, please email City Clerk Laura Gillespie at lgillespie@cherryhillsvillage.com. Thank you for your understanding!
