SEPTEMBER

Enjoying the Arts at CHERRY HILLS VILLAGE

IMAGINE. . . A bronze butterfield horse grazing in Cherry Hills Village.

NOW, IMAGINE. . . A party worthy of a bronze butterfield horse grazing.

Gary Lutz and Wells Fargo Private Bank will host a special fundraising reception on September 30, at Cherry Hills County Club that will benefit the Cherry Hills Village Art Commission's efforts to purchase a sculpture by Deborah Butterfield. This event promises an evening of fun and community cheer. All adult CHV residents are invited.

Guests will be treated to a menu of cocktails and heavy hors d'oeuvres. A silent auction will feature several unique items. Guests can bid on an at home wine tasting hosted by Chris Franke of the just-opened Bouzy Wine and Spirits at Orchard and University. Village artist, Alice Abrams, has donated a piece of her stunning jewelry to the auction. There will be tickets to favorite sports team; as well as to the National Western Stock Show. And, for some, it will be hard to pass up bidding on a Beer and Cigar Party or exquisite glass art. Everyone will enjoy this special occasion for visiting with neighbors and friends.

The reception will also provide the opportunity to honor those Villagers who have already made contributions toward the Butterfield sculpture; as well as those who make a gift that evening.

Continued on page 2...

Our Condolences

Sherry Sargent

Long time Village resident, Sherry Sargent (wife of Frank Sargent) passed away on July 2nd.

Frank and Sherry moved to Cherry Hills Village in 1970, where Sherry joined the PTCO and started its annual fall science fair. She was very active in parent groups and enrichment opportunities for schools. Sherry and several others helped start the After Prom Party at Cherry Creek High School after realizing the students didn't have a safe place to go after prom. Sherry also helped create Red Ribbon week; which is a drug and alcohol education and awareness program in schools.

Sherry is survived by her husband, Dr. Frank Sargent; sons Craig, Jim and Stephen; daughter Linda and grandchildren Victoria, Taylor, Kylie, Luke, Courtney, Abbey, Savannah, Nicholas and Grace.

The City extends its deepest sympathies to the family of the deceased.

TAKE NOTE:

An engagement announcement, wedding announcement or obituary can be placed in the Village Crier by emailing Jessica Sager at jsager@cherryhillsvillage.com, mailed to the Village Center at: 2450 East Quincy Avenue or placed in the drop box located to the west of the Village Center front door. Please include your name and address, the text of the notice or announcement (please limit text to 200 words) and a photo (in JPG format for emails) with your submittal. If you have any questions or trouble sending your announcement or notice, please call Jessica at (303) 783-2730.

Enjoying the Arts at CHV...Continued from page 1.

The Cherry Hills Village Art Commission's commitment to bringing a Deborah Butterfield horse sculpture to the Village is a goal worthy of a great community. Butterfield is internationally recognized for her original and beautiful work sculpting horses from natural and found materials. Butterfield will take pieces of wood that she then builds into the shape of a horse. Next, the pieces of wood are bronzed through a labor intensive process and then reassembled. Finally, the bronze is covered with a patina that makes it difficult to distinguish the bronze work from the actual pieces of wood.

Every Butterfield horse is one of a kind; each has its own personality and spirit. Butterfield offers horses that are the opposite of the war horse: hers are calm, at ease, yet powerful. Her work is represented in some of the leading museum collections including the Metropolitan Museum of Art, the Smithsonian American Art Museum and the Denver Art Museum.

The Art Commission is proud and grateful for the involvement and generosity of Gary Lutz and Wells Fargo Private Bank in helping CHV realize the dream of acquiring a major work of art.

Plan on an evening of camaraderie and fun. If you or one of your neighbors did not receive an invitation to this event through the mail, you can pick one up at the Village Center, 2450 East Quincy Avenue.

Help bring a beautiful bronze Butterfield home to the Village!

The Art Commission would like to thank the following donors for their generous contributions:

NATIONAL NIGHT OUT

On August 4, 2015, the Cherry Hills Village Police Department hosted the National Night Out Event at the Joint Public Safety Facility. This nation-wide program has grown from 400 communities in 23 states participating in 1984, to over 16,124 communities participating in 50 states in 2014. National Night Out is a way to build partnerships between police and the community.

Approximately 150 to 175 residents participated in the festivities. Some of the activities included: tours of the police and fire department facilities, exploring police vehicles and the fire truck of Station 38, face painting, and a visit with Miles, the Denver Broncos Mascot.

The visitors also enjoyed pizza, which was generously donated by Papa John's Pizza, ice cream and other refreshments. The evening was a great success, and we hope to see even more residents next year at the 2016 National Night Out festivities.

FLU SHOT CLINIC

Front Range Flu Shots will be holding a flu shot clinic on **Monday, October 19th from 10:30 a.m. to 12:00 p.m.** at the Village Center (2450 East Quincy Avenue).

This is a walk-in clinic so there is no need to make an appointment. Front Range Flu Shots will be offering the Quadrivalent flu shot for \$35.00. This flu shot is meant to protect against four different types of flu viruses. It protects against the same three viruses a typical flu shot will prevent, but also against the influenza B virus. The Quadrivalent flu shot is a broader protection against circulating flu viruses, but the CDC does not recommend any one flu shot over the other.

Front Range will also have the FluMist Nasal Spray for \$35.00 and the High Dose FluZone for individuals 65 and older for \$59.00.

For any questions regarding the flu shots, you can contact Front Range Flu Shots at (303) 797-3397 or visit www.cherryhillsvillage.com/flushotclinic to print the consent form.

Cherry Hills Village
EXOTIC CAR SHOW

WHEN: Sunday, September 27th, 2015

WHERE: Cherry Hills Village Elementary School, 2400 East Quincy Ave (Quincy & University)

TIME: 10:00 a.m. to 1:00 p.m.

Enjoy a Free BBQ and view some unique and exotic cars. A Great Family Event! Enter your car by visiting www.cherryhillsvillage.com for the registration form

City Council unanimously approves the **John Meade Park** and **Alan Hutto Memorial Commons Master Plan**

The John Meade Park and Alan Hutto Memorial Commons Master Plan was unanimously approved by City Council at the August 4th City Council Meeting. This Master Plan is intended to guide the design and development of the City of Cherry Hills Village's largest and most central park, while incorporating an adjacent parcel of land that was donated to the City to memorialize Alan Hutto. The master plan is also designed to meet the goals established through an extensive community outreach process, Arapahoe County Open Space grant requirements and floodplain development regulations. The Master Plan was introduced by Bill Lucas, Chairman of the Parks, Trails and Recreation Commission and was presented by Kevin Shanks and Randall Navarro of THK Associates. The approval was the culmination of a process that began in late 2014. Funding for the work by THK Associates was provided by a grant awarded to the City from Arapahoe County in the amount of \$35,000.

The Master Plan was developed with the input of the Parks, Trails and Recreation Commission, City Staff and members of the community. THK endeavored to involve the community

throughout the process by way of an on-line community survey and three public input meetings held in January, April and June. Attendance at these public meetings consisted primarily of community members who reside near the Park. They were concerned about the redevelopment of the Park, including the installation of the performance area in the Alan Hutto Memorial Commons which was called for by the 2013 agreement in which the city acquired the land. Community concerns for the redevelopment center around increased noise and light, as well as appropriate use guidelines for the performance area. City Council members acknowledged the concerns of the community members and suggested that as the Master Plan enters the design and

Mayor Musing...

Cherry Hills Village is a small community with amazing advantages, while living in a bigger world with incredible challenges. For example, all of us use the highway system. We all understand that it is expensive to maintain the system and it is necessary to expand it, together with mass transit alternatives, as the population of our fair State grows. These obvious truths become less obvious when you leave the boundaries of our community. Fortunately the leaders of our surrounding metropolitan cities and counties agree on the basics of funding transportation, but citizens of our State are harder to convince. There is a perception that roads are "free." No one wants to be taxed to pay for another's transportation; even if better roads benefit all of us through cleaner air and cheaper, better, safer, quicker access to services including schools, work and hospitals. Historically we have looked to the Federal government to fund our significant highway projects. Federal monies are now subject to major squabbling over unrelated arguments that have nothing to do with transportation. Perhaps this has always been the case, which explains our crumbling national infrastructure. The problem will not easily be fixed since asking those in Congress to behave like responsible adults, setting aside personal differences to achieve a greater good, has

not been an effective solution. It's too bad that we cannot send the worst offenders to "time out" until their behavior improves.

One solution for Colorado is..... "if we don't build it, they won't come." A wee bit selfish, but it is understandable.

Unfortunately, we didn't build it and they are coming and continue to come. Maybe the influx will slow down when it's impossible to get anywhere, but I would prefer that we not wait for that result since all of us, not just the newcomers, will be stuck in traffic, breathing fumes, dodging potholes and hoping that old bridges can stay standing for just a bit longer. We have a Village full of business and community leaders; whether you

run a company, serve on the board of a business, charity, PTA, are a quarterback of a professional football team or coach your church softball team. You are a leader and you have an impact far beyond your immediate associates and friends. Our little Village is a powerhouse. I have told the new head of the Colorado Department of Transportation that his desire to meet with community and business leaders could have a good start, if he met with people in our community. It may entail hard work, for little is achieved without hard work. Voicing your concerns and ideas is not enough. He may be looking for folks who would also commit time to finding solutions. Am I hoping for too much from our community? I think not. Let me know if you would be interested in an issue that impacts all of us.

Respectively, *Mayor Laura Christman*

implementation phase, the Council should monitor the plans to confirm the redevelopment is consistent with the Master Plan of the Village.

The final design of the Master Plan was presented in four phases: the Alan Hutto Memorial Commons performance area; the wetland areas and trails; the playground, picnic shelter and lawn area; and finally, the Village Center relocation and parking. Phasing the construction allows time to seek funding opportunities from organizations like Great Outdoors Colorado and Arapahoe County Open Space. Grant funds are an important part of this redevelopment. The Plan will be implemented over the next three to four years. In order to comply with the timeline specified in the Alan Hutto Memorial Commons agreement, City Staff will be installing a temporary performance area during September.

A substantial amount of time and effort went into this project. The Mayor and City Council members extend sincere thanks to the members of the Parks Trails and Recreation Commission, to the City Staff, to the involved community members who provided valuable input throughout the seven month process and finally, to the team at THK and Associates who led the way.

Written by Mike Gallagher, City Council liaison to the Parks, Trails and Recreation Commission

2016 City Budget CALENDAR

The City Charter requires the Council adopt a budget calendar by resolution each year. The following calendar was adopted as the budget calendar for the preparation of the 2016 annual budget by the City Council at the July 21, 2015 meeting:

1. The City Manager submits the proposed 2016 budget on or before **SEPTEMBER 15, 2015**.
2. The City Council holds a study session to review the proposed 2016 budget on or before **OCTOBER 6, 2015**.
3. A public hearing will be held concerning the proposed 2016 budget and first readings of the Appropriations Ordinance and Mill Levy Ordinance on or before **NOVEMBER 17, 2015**.
4. The Appropriations Ordinance and Mill Levy Ordinance will be adopted on second reading before the certification of tax levies deadline of **DECEMBER 15, 2015** required by Arapahoe County Assessor's Office.

If you have any questions regarding the 2016 budget preparation process, please contact Karen Proctor, Director of Finance and Administration, at (303) 783-2723 or kproctor@cherryhillsvillage.com.

CHERRY HILLS VILLAGE BABYSITTER LIST

PLEASE NOTE: beginning in September, the babysitter list will publish every other issue. The Crier offers the following list as an informational service only. The Crier does NOT review babysitter qualifications. Residents must screen babysitters themselves.

at 303-795-4200.*

CITY MANAGER RETIRES

After 11 years of dedicated service to the City – first as Police Chief and then as City Manager – John Patterson has decided to retire. John made a number of valuable contributions to the City during his time with Cherry Hills Village and we wish him all the best in his retirement. City Council will be selecting an executive search firm to find a new City Manager.

MAIL THEFT

The Cherry Hills Village Police Department has noticed an increase in the number of mail thefts occurring in the city. The theft of mail can lead to other crimes including fraud and identity theft. The department encourages all residents to take steps to prevent these types of crime. Be vigilant by monitoring all of your credit accounts. Contact your credit provider if you observe any unauthorized transactions or requests for new accounts. If you believe you are a victim of fraud, contact your local law enforcement agency.

Mail Theft Prevention Tips:

- Pick up your mail promptly after delivery. Do not leave your mail in your mailbox overnight. If you are expecting checks or credit cards, then ask a trusted friend or neighbor to retrieve your mail.
- If possible, drop off any outgoing mail containing checks or other negotiable items to the post office or personally hand

them to the letter carrier.

- If you are going away for a weekend, or on vacation, please remember to have daily deliveries, like the mail, picked up by a designated individual or have the post office hold your mail until you return from your trip.
- If possible, have packages delivered when you are home to receive them or require a signature when you have packages shipped to your home. Many shipping companies allow you to customize your deliveries, including setting the day and time of delivery.
- Another option is to have packages delivered to an alternate destination, like work or a neighbor's residence.
- Install a locking mailbox to prevent unauthorized individuals from retrieving your mail.

CHERRY HILLS VILLAGE POLICE

WELCOMES 2 POLICE OFFICERS

NICOLE WARD

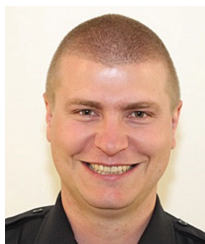

was born in Englewood and grew up in Littleton, CO. After high school she took classes at Arapahoe Community College in Early Learning Education, but after about a year and a half of

classes and working in childcare, realized that Early Learning wasn't her passion. In January 2003, she enrolled in classes at Metropolitan State University of Denver and began taking classes in Criminal Justice and Criminology. While working three jobs and attending school full time, Officer Ward obtained her Bachelors of Science Degree in Criminal Justice and Criminology in December 2008. She enrolled in online classes through University of Phoenix in May 2009 and finished her program with a Master's of Science in Administration in Criminal Justice in December 2010.

Officer Ward previously worked at Auraria Campus Police Department as a security officer. After a year and a half, the command staff of Auraria Campus Police Department asked her if she would be interested in attending a Police Academy. So, in August 2011, the Auraria Campus Police Department sponsored her through

the Red Rocks Community College Law Enforcement Academy, the first person in over 30 years to have this opportunity presented by the Police Department. After completing the academy, Officer Ward went back to Auraria Campus Police Department and started her career in Law Enforcement where she worked for 6 years. She looks forward to bringing her skills in advanced DUI investigations to the Police Department and working with the community of Cherry Hills Village.

SEBASTIAN GULDER

was born in Munich, Germany and moved to Canada after high school at the age of 18. He played hockey there for two years and was recruited to play hockey and attend Elmira College in

upstate New York.

There, he received his bachelor's degree in Criminal Justice. After college, he moved to Colorado and worked as a private investigator for 2 years before joining the Jefferson County Sheriff's Office where he was assigned to the Detentions Division for 18 months. As a detentions officer Gulder became adept at communicating with people from all walks of life.

Officer Gulder became a citizen of the United States in 2012. He and his wife, Amanda, reside in Castle Rock with their 19 month old son. They enjoy hiking and spending quality family time together.

Save the Date
