JULY

CITY FLOODPLAIN DEVELOPMENT REGULATIONS AND NATIONAL FLOOD INSURANCE PROGRAM REQUIREMENTS

Since 1978, the Village has participated in the National Flood Insurance Program (NFIP) Community Rating System (CRS), making residents eligible for federally backed flood insurance and flood insurance discounts. In order to participate in this discount program, the Village has adopted minimum standards and regulations for floodplain development, conducts regular drainage way maintenance and provides community outreach on floodplain issues. There are approximately 200 properties in the Village that intersect a floodplain designated on the FEMA Flood Insurance Rate Maps (FIRMs) adopted by the City. If the residential structure on the property is located in a floodplain, flood insurance will be required by most mortgage lenders.

In Cherry Hills Village, most development in the floodplain is prohibited unless a special development permit is granted by the City Council. If you want to know if your property is in the designated floodplain or for more information

on floodplain development permit requirements you can contact the Cherry Hills Village Community Development Department at (303) 783-2721 or stop by the Village Center at 2450 E. Quincy Avenue. The Village keeps records of all current and past adopted floodplain maps and Flood Hazard Area Delineation (FHAD) areas, flood depth data for most currently mapped areas of the Village, and FEMA issued elevation certificates.

Helpful Tips...

The following are helpful tips for residents who live in flood prone areas:

- Know the extent and nature of the flood hazard in your area.
- Plan escape routes to high ground.
- Buy flood insurance for your property.
- During times of heavy rainfall watch the level of water in the drainage way and stay tuned to radio or television for possible flood warnings.
- Evacuate the flood hazard area in times of an impending flood.

September **BARN PARTY & TOUR** Benefits Cherry Hills Land Preserve

MARK YOUR CALENDARS!

The Village's best community weekend is coming up in September! The Cherry Hills Land Preserve will host their 6th Annual Barn Party on Saturday, September 17 at the beautiful Rady barn, followed by the Barn Tour on Sunday, September 18th.

The festivities kick off with everyone's favorite neighborhood gathering at 6:30 p.m., with fun, western-inspired food, an open bar, a cocktail designed especially for the event, live music, and a silent auction featuring some of the region's best artists and craftsmen. The Barn Party is an opportunity to gather, see neighbors and friends, and celebrate the rural heritage and landscapes we all love in the Village. On Sunday, the Barn Tour from 11 am - 2 pm is a wonderful family event with a map of possible routes to ride bikes, walk, or drive to the different barns and enjoy a great day on CHV's trails and celebrate our open spaces. For 2016, we have five captivating barns around our community including Quincy Farm, a 17.5 acre gem in the heart of the Village with a conservation easement to protect it in perpetuity, an innovative passive-solar design greenhouse, and several other unique barns that remind us of our semi-rural and equestrian past. In addition, there will be a Farmer's Market at the Village Center with fresh produce and crafts.

Both weekend events benefit The Cherry Hills Land Preserve, a local non-profit organization whose purpose is to inspire protection of natural open lands in Cherry Hills Village.

Why does CHLP host the annual **Barn Party & Tour?**

To celebrate the Village's unique rural heritage and natural landscapes in an increasingly urban landscape, and to encourage both old and new residents to value and protect them in the face of increasing urban development across Colorado. Did you know Cherry Hills Village has more than 46 miles of public trails? Or that Cherry Hills Village Elementary began as a one-room

schoolhouse in 1886, built on a dirt path that later became Quincy Avenue? Cherry Hills Village's history of family farms and homesteads with large open lands helped shape the natural open lands and trail system we enjoy today, and that CHLP works to protect and enhance.

The annual Barn Party & Tour would not be possible without our sponsors. CHLP is very appreciative of the continuing support and commitment of the Rady Family, our 2016 Event Sponsors, and our Barn Hosts.

CHARLO DEDICATION

Under clear blue Colorado skies, on June 16, dozens of Villagers gathered on the lawn in front of the Joint Public Safety Facility to dedicate and celebrate the Village's magnificent art sculpture, Charlo, a bronze horse by Deborah Butterfield. Cherry Hills Village Public Art Commission Chair Ann Columbus began the afternoon program by saying, "We asked you to 'Imagine a Butterfield.' And you did!" The Art Commission points to the Butterfield horse as the Village's signature piece of art.

Following introductions, the crowd reconvened in the Community Room where Mayor Laura Christman spoke, along with the Village's new City Manager, Jim Thorsen. A stunning glass plaque, that highlights the names of the over-200 Villagers whose gifts helped purchase Charlo, was also on display. A reception at the home of Rosalina and Richard Diecidue followed the ceremony.

The above dedication plaque is currently available for viewing in the Council Chambers at the Village Center.

READY, SET, GO...

the Platte Valley Pony Club competed in June at the Colorado horse park

with Gran Prix riders. The kids and their ponies won, or they lost, or perhaps they tied. Everyone was having too much fun to keep track.

Pony Club which has both boys and girls, is akin to Girl/Boy Scouts, but with ponies. Many years ago, Cat Anderson founded the Platte Valley Pony Club. The meetings were conducted at Quincy Farm. Both past and present Villagers enjoyed riding their horses and ponies as part of this now historic club. Platte Valley Pony Club is the oldest continuous Pony Club in the state of Colorado. Currently meetings are held at the Village Club, also located in Cherry Hills Village. Children do not need to be members of the Village Club nor residents of Cherry Hills

to participate.

I had never heard of Pony Club until my youngest daughter started riding. Taking riding lessons is fun, but learning about horses, safety and sportsmanship

is even more important. I did not know that Pony Club existed when my older children were learning to ride and I think they missed out. I wanted to make sure that residents knew this was available in our Village. In addition, 4-H clubs have meetings in and around the Village. 4-H is an equally wonderful organization that gives children experience in farming and animal husbandry.

Horses, fun and kids go together. I continue to have a wonderful time with both my horse and my pony, notwithstanding that I am (according to AARP) a senior citizen. The best part of being a senior citizen is that I am permitted to have a second childhood....how great is that?

Respectfully submitted,
Mayor Laura J. Christman

SAYING GOOD-BYE TO DOUG SCOTT

Former Mayor of Cherry Hills Village, Doug Scott, passed away unexpectedly in June. The Scott family remembers him as the most intelligent, thoughtful, funny, considerate and precious father and husband they could have hoped, dreamed or prayed for. Born in Memphis in 1964, Doug moved to Denver in 1989 after extensive travels throughout the globe. Doug was a Senior Vice President with Shea Properties Colorado. He served two terms as the Mayor of Cherry Hills Village (2002-2006). When Doug ran for Mayor in 2002 he wrote "*I love Cherry Hills. It's a great place to live and raise a family. The quality of life here is arguably the best in the state and what brought all of us here.*" Doug was on the Board of Trustees of ColoTrust, served on the Board of Directors of the Denver Metro Chamber of Commerce, was active in water rights and use issues and was on the Inter Basin Compact Committee, among multiple other board and service positions. Doug had a passion for movies, was a voracious reader, took online college classes just for fun, enjoyed playing golf, running and bicycling. His family remembers him as someone that sang loudly throughout the house, let the kids paint his toenails and always had a book recommendation for anyone that asked (or didn't). He is survived by his wife Janice, daughter Lori (21), son Bennett (15) and brothers Alan and David. A Celebration of Life service was held in Highlands Ranch on June 14th.
