DECEMBER 2018

MAYOR MUSINGS

Change is an inevitable part of everyday life.

We grow older, our children mature, parents become elderly, life is in a constant state of change. Cherry Hills Village has also experienced change. The population of Cherry Hills Village has increased by 885% since 1950. Despite the expansive growth within the Village it has been able to maintain much of its unique character. We cannot turn back the clock nor can we build a wall around the Village. In order to make good decisions it is important to understand what may be the greatest drivers of change in the Village. I have listed a few so that citizens may start thinking about priorities and possible solutions:

CLIMATE CHANGE: Both extended periods of drought and flooding appear to be on the horizon. Most of the Village tree canopy was planted while we enjoyed significant rainfall each summer. This canopy may not survive extended drought if we do not think about alternative methods to preserve them. In addition, we appear to have a flood matching the 100 year floodplain every 20 years or so. We sit at the bottom of

a huge drainage field for storm water with no effective exit for the flood waters, as we learned in 2015. Many residents within the 100 floodplain sustained significant damage and we came very close to having a tragic drowning, similar to what occurred in Englewood this summer.

NOISE: Once thought to be merely an annoyance, noise is now known to cause and contribute to heart disease, anxiety and depression. There is also a proven correlation between lower test scores for children living and/or going to school with significant noise levels. This has always been a relatively quiet Village, even our dark skies ordinance acts to keep noise down in the evenings. We live near the second busiest general aviation airport in the United States and the FAA is intent on changing DIA flight patterns in 2019 to concentrate commercial flights (which previously flew over the eastern plains) over the entirety of Cherry Hills Village at a rate of one flight per minute. Is quiet something the Village still values and if so, what actions should be taken to preserve the peace and quiet that historically has been a key element of life here?

HOMELESSNESS: All of the mayors in Arapahoe County have been asked to join a committee to address homelessness in our parks,

specifically with an eye to increased homelessness along the High Line Canal. Homelessness cannot be solved by shuffling the homeless to other communities. In a shuffling war we would lose as adjoining communities have far more homeless to shuffle to us than we to them. When the underpass is completed, it would be naïve to think that this issue will not become more serious. Homelessness is a regional problem, there are no simple answers, and our parks and trails are at risk if we stand by and pretend that we are immune.

These elements of change are in addition to the obvious changes that increased population and growth bring to our community, but growth has also brought opportunity from which many residents have benefitted. Rarely does a benefit come without some detriment.

It has been an honor to serve the Village as your Mayor. I ask that everyone take a minute to count their blessings, of which you all have many, and start thinking not about what is best for you, but what will be best for the Village in ten, fifteen, twenty years. It was this foresight and selflessness that has preserved a semi-rural community within an urban landscape. Oh, and Happy Holidays!

Respectfully submitted,
Laura Christman, Mayor

IDENTITY THEFT AND COMMON SCAM PREVENTION TIPS

The holidays and the upcoming tax season are popular times for criminals attempting to steal your personal information. Often, these individuals use scams posing as a member of the IRS or local law enforcement to entice citizens to send money in lieu of being “arrested”. The Cherry Hills Village Police Department hopes that the following tips will assist in keeping everyone’s personal information safe.

TIPS TO PREVENT BECOMING A VICTIM OF A TELEPHONE SCAM:

Family Emergency Scam – usually targets older citizens where someone pretends to be a family member who has been arrested in a foreign country or are the victim of a kidnapping.

- Always ask to speak to the relative in question and make sure it is them. Set up a safe word if necessary.
- If possible, try to reach the relative in question by using another phone or computer. If you are able to reach the relative, and you can determine the call is a scam hang up immediately.
- Alleged kidnappers or scammers will usually demand payment be sent by wire transfer service.

LOTTERY SCAM – winners are notified they have won a lottery but are required to pay a fee or taxes to receive their winnings.

- The majority of these scammers will demand payment be sent by traveler’s checks or wire transfer service.

If you have become the victim of a telephone scam you can file a report with the Colorado Attorney General’s office at www.stopfraudcolorado.gov

TIPS TO PREVENT IDENTITY THEFT:

- Never give out your social security number. Treat it as confidential information.
- Never carry your social security card in your purse or wallet.
- Do not reveal personal information to unverified sources

whether over the phone, by mail, or the Internet. Do not feel pressured to answer personal questions if you do not trust the source. Request verifying information before continuing the conversation

- Examine your bank statements to ensure your accounts do not have any unauthorized charges. Contact your financial institution immediately if you notice any unknown or suspicious charges on your account.
- File your tax return early in the tax season before identity thieves have the ability to do it for you.
- The IRS will not contact you by email, text or social media. Information requests or notices will be made by the IRS through the U.S. Postal Service.
- Shred personal documents before discarding them.
- Select passwords that are difficult for others to uncover. An impersonal combination of letters and numbers is the best. Do not write your passwords down. Memorize them or use an application on your phone that is password protected.
- Monitor your credit. Take advantage of the free credit reports, in Colorado you can request a free credit report annually from each of the three credit bureaus.

REQUEST YOUR FREE ANNUAL CREDIT REPORT FROM THE THREE MAJOR CREDIT BUREAUS BY CONTACTING THEM AT:

Equifax: 1-800-525-6285 or www.equifax.com

Experian: 1-888-397-3742 or www.experian.com

Transunion: 1-800-680-7289 or www.transunion.com

- Monitor the credit of any underage children. Request a free credit report annually for your child as well from each of the three credit bureaus.

To reduce telephone solicitations, sign up with the Colorado **NO-CALL LIST** at <https://www.coloradonocall.com/> and the **National No-Call registry** at <https://www.donotcall.gov/>

The Cherry Hills Village Police Department urges everyone to verify any circumstances involving the request for personal information over the telephone, by mail, or the Internet.

WE WISH YOU A SAFE AND SECURE HOLIDAY SEASON

HOLIDAY TREE RECYCLE

The **holiday tree drop off** will be located in the parking lot of John Meade Park on Meade Lane. Trees can be dropped off **December 26, 2018** through **January 27, 2019**. There will be signs directing residents where to place the trees. Please remember to remove all ornaments, decorations, tinsel and any wire that may be left on the tree. If you have any questions, please contact the Parks Division during normal business hours (Monday – Friday from 8:00 a.m. to 4:30 p.m.) at (303) 783-2744 or email Pamela.Broyles@cherryhillsvillage.com.

The City is currently accepting applications for the Quincy Farm Committee (QFC). Quincy Farm is a 17.5-acre property donated to the City by Catherine Anderson for preservation and education about nature and history. Committee members provide recommendations about the future of the property, and are currently developing a long-term Master Plan for Quincy Farm. The QFC meets on the third Tuesday of every month from 8:15am-10am at the Farm. A background or interest in historic preservation/planning, agriculture, nature or art education would be especially valuable.

If you would like to apply to serve on the QFC, please complete an application and return it to City Clerk Laura Gillespie. The application can be found on the City's website at <http://www.cherryhillsvillage.com/280/Quincy-Farm-Committee> or at the Village Center (temporarily located at 120 Meade Lane). The deadline for all application submittals is Friday, January 4th.

For more information regarding the Committee or to submit your application, you can email lgillespie@cherryhillsvillage.com or call (303) 783-2732.

SIXTH ANNUAL SNOW PLOW PAINTING

The Village streets will be met by colorfully painted plows again this year. The "paint-a-plow" project is coordinated by the Cherry Hills Village Public

The Cherry Hills Elementary School

Kent Denver School

Art Commission, the Public Works Department, Cherry Hills Elementary and Kent Denver School. The Cherry Hills Elementary plow depicts their own plow amid a snowy landscape; while the Kent Denver snow plow features penguins frolicking in a winter wonderland. Thank you to the art teachers and art class students for all their creativity and commitment to this annual event. It continues to be a great fall project for the school kids that can be viewed by the community whenever the snow flies.

CHERRY HILLS VILLAGE RECREATION REIMBURSEMENT RULES

Residents of Cherry Hills Village (primary residence only) who participate in a recreation program, activity, class or event offered by a municipal or special district recreation department, a non-profit, 501(c)(3) youth sports organization or any municipal golf course located within the seven-county Denver metropolitan area (Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, Jefferson) may be eligible for a partial reimbursement of certain costs from the City of Cherry Hills Village. For purposes of this program, “youth sports organization” shall mean a sports organization whose primary purpose is to provide recreational activities for primary or secondary school students.

REIMBURSEMENT PROVISIONS

Each primary household in Cherry Hills Village is eligible for a maximum \$500.00 annual reimbursement when participating in an activity that qualifies for reimbursement. The amount of reimbursement shall be 50 percent of the cost incurred by the resident; however, reimbursement costs shall not exceed a maximum of \$50.00 per single activity, per resident to include memberships and passes. The purchase of a monthly membership, or multiple use pass is considered a single activity. The amount of reimbursement for an annual membership or pass shall be 50 percent of the cost incurred by the resident; however, reimbursement costs shall not exceed a maximum of \$500.00 annually per household. An annual membership is intended to designate a year-long membership and includes such facilities as Greenwood Athletic and Tennis Club and municipal recreation centers such as South Suburban. Seasonal sporting activities such as soccer, baseball, lacrosse, swimming, hockey, gymnastics, etc., are considered single activities.

REIMBURSEMENT PROCEDURE

1. Obtain an itemized receipt that includes the participant's name, address, name of agency, name of activity, activity fee(s) and activity date(s). Receipts must be for the year in which they are paid, not the year in which the activity takes place.

Note: The following will not be accepted as receipts: bank statements, cancelled checks, non-itemized credit card receipts, handwritten receipts and registration forms. Initiation fees, rentals, tax charged, national dues, merchandise, child care, travel, uniforms and golf carts do not qualify for reimbursement.

2. Complete the Recreation Reimbursement Form, attach all itemized receipts and mail or deliver this information to the Village Center by **January 15th** for the previous year's reimbursements.

NO EXCEPTIONS.

It is the resident's responsibility to ensure that all recreation reimbursement applications have been received by the City prior to January 15th.

All of the information above will be required and residency will be verified. It is the obligation of the City staff to ensure against abuse of this program and final authority will rest with the City Manager to suspend or eliminate reimbursement requests determined to be in violation of the terms of this program.

DECEMBER 2018 Newsletter

SNOW, ICE AND STREET SWEEPING OPERATIONS

The Cherry Hills Village Public Works Department is responsible for snow, ice and sweeping operations of approximately one hundred lane miles of City streets and approximately eight miles of paved trails and sidewalks. The department provides snow removal and sweeping services to all City streets, paved trails and sidewalks on a priority basis. It is the department's goal to have all City streets, paved trails and sidewalks maintained within twelve hours after the snow has stopped falling. This time frame estimate is based on an average snow event of four inches. The department will not plow residential streets for snow events of less than three inches as determined by staff. Sidewalk/paved trail sweeping is done on an as needed basis. When conditions allow, street sweeping and sidewalk/paved trail sweeping operations directly follow any snow and ice control operation where sand is used. Street and sidewalk/paved trail cleaning is provided for community safety, health, environmental and aesthetic purposes.

The Public Works Department utilizes many resources to determine when and how snow and ice control operations should begin. Use of the National Weather Service, local news television, web and phone based applications and the City's own weather station with a live feed camera are utilized by the Public Works Department to obtain the most current and accurate weather forecast information. Additionally, communication with the Police Department is maintained to ensure prompt response is available for emergency situations.

The City's priority is to keep primary intersections and collector streets safely maintained to permit emergency vehicles to reach all parts of the City without delay and to facilitate resident traffic on those streets. This priority has been determined by the City. These main streets are where traffic numbers and safety

demands are the greatest within the community. The second priority is to safely maintain all remaining residential streets. The third priority is to safely maintain all remaining paved trails and sidewalks.

Primary intersections and collector streets will be the first to receive snow and ice control measures. The length and severity of the weather event dictates when the department will start snow and ice control on all secondary streets and paved trails and sidewalks. Typically, this operation begins immediately after the pinnacle of the storm event and the majority of the snow has stopped accumulating. The City is divided into four sections and snow removal and street sweeping operations are performed on a rotating basis. Each section contains approximately the same street lane miles. This rotation is maintained throughout the winter so that all parts of the City have the same opportunity to be maintained first and no area is always last. Streets are swept in the same priority they are plowed.

The map below illustrates the City limits and the streets maintained by the Cherry Hills Village Public Works Department. The red lines show primary intersections and collector streets. These streets and intersections provide emergency vehicle access to all locations of the City during a snowstorm. The blue lines on the map are the streets maintained by the Colorado Department of Transportation. Only during extreme conditions and by the request of the Police Department does the City assist with plowing the streets maintained by CDOT.

To report any snow related issues, please call (303) 783-2744 during normal business hours (Monday-Friday 8:00-4:30). For snow emergencies, after hours or on weekends, you can contact Arapahoe County Dispatch at (303) 795-4711.
