# JANUARY

## the 2018 WINTER CELEBRATION

was a  
lot of fun!

The Cherry Hills Village Annual Winter Celebration was gifted with a mild winter evening. Residents enjoyed hot cocoa and cider, chicken noodle soup and cookies while taking photos with Santa, having their faces painted, playing games and riding in a carriage driven by Clydesdale horses. The City would like to give a *special thank you* to the Parks Department who plan and staff this wonderful event and make all the decorations and games. The City would also like to thank the members of the Parks, Trails and Recreation Commission that also helped to staff the event.

### In this issue:

1. Mayor Laura Christman and City Manager Jim Thorsen light the holiday tree,

2. Sgt Parker (left) and Sgt Stremel (right) join the festivities

## DENVER WATER 2019 RATE INCREASE

**T**he new rate system for Denver Water will take effect February 1st. The City of Cherry Hills Village has a total service contract with Denver Water.

**According to Denver Water's article "Why Denver water costs more in the 'burbs", suburban customers that receive water from one of Denver Water's 65 distributors will see an additional monthly increase added to their volumetric charges.**

If you live outside Denver and receive water from a distributor, you can expect to see an annual increase between \$23 and \$41, which is between \$1.90 and \$3.40 a month (based on an annual use of 102,000 gallons of water).

Denver Water's rate structure includes a three-tiered charge for water use (called the volume rate). To keep water affordable, indoor

water use – water for bathing, cooking and flushing toilets – is charged at the lowest rate. Essential indoor water use is determined by averaging the customer's monthly water use on bills dated from January through March each year. This is called average winter consumption. Water use above the average winter consumption – typically for outdoor watering – is charged at a higher price.

The major multiyear projects that water rates fund include build a new water treatment plant, install a new 8.5 mile water pipeline to replace a pipeline that was built in the 1930s, expand Gross Reservoir to provide a more reliable future water supply, construct a new water quality lab to ensure the highest water quality standards and invest more than \$100 million to repair and replace water pipes.

**WANT TO LEARN MORE ABOUT THE TIERED RATE STRUCTURE?**  
Go to [denverwater.org/rates](https://denverwater.org/rates).

**For more information regarding water rates, you can visit Denver Water's website at: <https://www.denverwater.org/residential/billing-and-rates/2019-rates>**

JANUARY 2019

## MAYOR MUSINGS

*I thought I would let everyone know a few of my New Year's Resolutions.*

**FIRST RESOLUTION.** To continue to follow and contest the FAA's decisions to impose new concentrated flight paths over the City of Cherry Hills Village and surrounding communities. If there is sufficient interest I may set up a website in order to maximize community input and opposition. Please let me know if that would be helpful. Residents can call me at (303) 758-6058.

**SECOND RESOLUTION.** To lose 10 pounds. This is an annual resolution which I manage to fulfill every year and then sometime during the latter part of each year, those lost pounds magically reappear.

**THIRD RESOLUTION.** Focus on our family foundations. As my life got busy with the Mayor gig, I let the family foundations flounder. There are so many great ways to impact our world, and to teach younger generations in the family the value of philanthropy. I am really looking forward to maximizing the impact our donations can make, both within the community and without.

**FOURTH RESOLUTION.** To have amazing amounts of fun without feeling that I need to fix transportation issues, homelessness, abusive use of trails, or worry about the safety of community members because I know that our great City Council and City Staff, including police have it handled.

**Happy New Year to everyone and may we all enjoy a year of joy and happiness.**

Respectfully submitted,  
*Laura Christman*

## The Cherry Hills Village Parks Department WELCOMES A NEW PARKS MAINTENANCE WORKER

**Zach Quintana** joined the Cherry Hills Village Parks Department after working with the Park Maintenance for Foothills Parks and Recreation District for 7 years. His previous positions gave him an assortment of knowledge from the ground up in the Parks Department. Zach is a Certified Playground Safety Inspector (CPSI) and also carries a Class A CDL. He truly enjoys viewing our beautiful city and being a part of the everyday maintenance to the turf, trees, shrubs, gardens and streets. A typical summer weekend for Zach is enjoying his family, anything outdoors and anything that causes an adrenaline rush! Zach strives to make the resident's quality of life the best it can possibly be and looks forward to many years of working for the City.

## PUBLIC WORKS WELCOMES TWO NEW HEAVY EQUIPMENT OPERATORS

The Cherry Hills Village Public Works Department welcomed a new Heavy Equipment Operator in September. **Tristan Murphy** is from Reno, Nevada where he lived for 14 years before moving to Colorado with his parents. Before coming to work for Cherry Hills Village, Tristan worked for Jefferson County Road and Bridge for six years. His hobbies include going to hockey and baseball games, concerts and many other outdoor activities such as snowboarding, camping and mountain biking most of all.

**Dillon Reno** joined the Public Works Department as a Heavy Equipment Operator in November. He is a native Coloradoan that graduated from Columbine High School. After graduating from Columbine, he went on to play football at CSU-Pueblo his freshman year before joining the Army National Guard in 2015. Before starting with Cherry Hills Village, Dillon was working as an Irrigation Technician for Jefferson County Road and Bridge. Dillon enjoys the outdoors, mainly hunting and fishing, playing music and going to concerts, also occasionally going hiking.

# DOG LICENSE RENEWAL.... REGISTER AND PAY ONLINE.... *It's Quick and Easy*

The Cherry Hills Village Municipal Code requires every resident that owns a dog six months of age or older to obtain a City dog license (City Code section 7-5-310). Licenses are valid for the calendar year and must be renewed annually. Dogs are required to wear the license any time

they are off of their own property and a rabies vaccination is required to obtain the license.

These licenses help reunite lost dogs with their owners, allow Animal Control officers to regulate dangerous dogs and encourage dog owners to vaccinate their dogs against rabies. Residents can obtain a dog license online at [www.cherryhillsvillage.com](http://www.cherryhillsvillage.com); the cost is \$10.00 for every dog over six months of age, per year. Click

the button the right that says "Pay and Register Online" and click the dog license link to complete the dog license application. Once the dogs have been registered and the payment has been processed, the Cherry Hills Village Police Department will mail the tag(s) to the address that was provided.

Dog licenses are also available in person at the Joint Public Safety Facility located at 2460 East Quincy Avenue, Monday-Friday from

8:00-4:30 p.m. For questions regarding the dog licenses, you can contact (303) 761-8711 or email [doglicensing@cherryhillsvillage.com](mailto:doglicensing@cherryhillsvillage.com).

## babysitter's list...

The Crier offers the following list as an informational service only. The Crier does NOT review babysitter qualifications. Residents must screen babysitters themselves.

Please help us by updating your son, daughter or neighbor's information if the sitter listed is no longer available or has moved. You can send the updated information to Jessica Sager at [jsager@cherryhillsvillage.com](mailto:jsager@cherryhillsvillage.com). A special "thank you" to those of you who have already contacted The Crier with updates.

In an effort to protect the privacy of our babysitters, the Crier will only print names and phone numbers in the listing going forward. We apologize for any inconvenience this causes.

# ANNUAL & FALSE ALARM PERMITS

The Cherry Hills Village Police Department will be mailing security alarm permit invoices towards the end of January. All alarm permits can be paid on the City's website at [www.cherryhillsvillage.com](http://www.cherryhillsvillage.com) using a checking account or any type of credit card. Click on the "Pay & Register Online" button to the right and select the Sewer or Security Alarm Invoice link. Instructions for paying the permit will also be printed on the invoice. If you have set-up your Xpress Bill Pay account as an "auto pay account," you will receive a notification that an invoice is ready, but it will automatically debit the payment type that was originally attached to the account. For any questions regarding the 2019 invoices or if you would like assistance setting up an Xpress Bill Pay account, you can email Jessica Sager at [jsager@cherryhillsvillage.com](mailto:jsager@cherryhillsvillage.com) or call (303) 783-2730.

Security alarm systems can help prevent burglaries; however, false alarms divert police resources from other important duties. Most false alarms can be prevented through both the proper maintenance and careful operation of the alarm system. In order to promote the responsible usage of alarm systems, the City of Cherry Hills Village Municipal Code (Chapter 6, Article IV) regulates the operation of security alarm systems.

The key provisions of the Code are as follows:

- An annual security alarm permit is required to use a security alarm system. The fee for this permit is \$25.00.
- The City Code establishes the following false alarm response service charges:

## RESPONSE CHARGES ARE PER CALENDAR YEAR

First Response – No Charge

Second Response – No Charge

Third Response – **\$100.00**

Fourth and Subsequent

Responses – **\$200.00** each response

- It is unlawful for an alarm to be in use without a valid permit. Violation of the City Code could result in the user being cited into Cherry Hills Village Municipal Court.

If you receive a security alarm invoice, but you are no longer using the security alarm system, please email Police Clerk, Paul McCarthy at [pmccarthy@cherryhillsvillage.com](mailto:pmccarthy@cherryhillsvillage.com) the following information so your account can be deactivated:

- The homeowner's name
- Mailing address
- Customer number (*this is not the invoice number*)

## PAMELA HALL

*New CHVAC member*

The Cherry Hills Village Art Commission is proud to announce that Pamela Hall will be the newest Art Commissioner, replacing Doug Smooke. Pamela was raised in North Haven, Connecticut. She attended Trinity College in Hartford majoring in Political Science and Economics. She went on to earn a law degree from Stanford University. Pamela worked as an attorney in private practice for several wall street law firms and then went in-house with the investment banking division of Credit Suisse First Boston.

In 2004, Pamela and her husband Bryan, who is also an attorney, moved to England with their two daughters that were just babies and Pamela retired. After living in England for seven years, they returned to the East coast for another year.

Seven years ago, the Halls moved to Denver when Bryan took a job as the General Counsel of Liberty Global, an international telecommunications company headquartered in Denver. The couple have two children: Victoria 17 and Gwendolyn 15. Both girls attend Cherry Creek High School. Pamela has been active as a volunteer at their daughters' schools, plays tennis at Greenwood Athletic Club, gardens in their yard and is a frequent walker with their dog on our trails. Pamela, Bryan and the girls are also avid skiers.

Pamela and Bryan enjoy collecting art. They attribute an early interest in art to their families. When Anthony Heinz May was creating his piece in Three Pond Park, Pamela and Bryan made a point of becoming acquainted with the artist and eventually purchased a few pieces from him. Pamela says she is very impressed with the number of artists in residence in both Cherry Hills Village and Greenwood Village.

**THE CHVAC IS EXTREMELY EXCITED TO WELCOME HER.**

# Crier Classifieds

The Village Crier advertisements will be provided for a fee to both Village residents and advertisers outside the Village. Ads should be limited to 40 words and may be purchased for the entire year. Publication of the ad in The Village Crier does not imply endorsement. The Village Crier reserves the right to reject ads. To inquire about placing an ad call (303) 783-2730 or email [jsager@cherryhillsvillage.com](mailto:jsager@cherryhillsvillage.com).

JANUARY 2019 Newsletter

## QUINCY FARM COMMITTEE VACANCY

The City is currently accepting applications for the Quincy Farm Committee (QFC). Quincy Farm is a 17.5-acre property donated to the City by Catherine Anderson for preservation and education about nature and history. Committee members provide recommendations about the future of the property and are currently developing a long-term Master Plan for Quincy Farm. The QFC meets on the third Tuesday of every month from 8:15am-10am at the Farm. A background or interest in historic preservation/planning, agriculture, nature or art education would be especially valuable.

If you would like to apply to serve on the QFC, please complete an application and return it to City Clerk Laura Gillespie. The application can be found on the City's website at <http://www.cherryhillsvillage.com/280/Quincy-Farm-Committee> or at the Village Center (temporarily located at 120 Meade Lane). The deadline for all application submittals is **Thursday, January 31st**. For more information regarding the Committee or to submit your application, you can email [lgillespie@cherryhillsvillage.com](mailto:lgillespie@cherryhillsvillage.com) or call (303) 783-2732.

## South Metro Fire Rescue is now linked to ARAPALERT

The South Metro Fire Rescue Authority Dispatch Center will now be able to notify residents using the ARAPALERT (Arapahoe County's Emergency Notification System) system of emergencies that might affect their safety (i.e. wildfires, gas leaks, etc.). Recipients will receive instructions for safety precautions and evacuation procedures using

the contact information that was provided when they registered.

Residents that would like to register for ARAPALERT can do so by going to [www.cherryhillsvillage.com](http://www.cherryhillsvillage.com) and clicking the link under Village News Highlights. When Arapahoe County issues notifications about a potential safety hazard, residents that registered will receive a message on the voice or text communication methods that were selected. This service allows residents to opt-in to receive notifications via phone calls, text messaging, e-mail and more based on specific locations such as home, workplace, school, etc. (home landlines have already been included into this program). Along with South Metro Fire Rescue notifications, administrators will send notifications regarding severe weather, flooding, gas leaks, police activity, unexpected road closures, missing persons and more.
