SEPTEMBER

CONSTRUCTION BEGINS ON JOHN MEADE PARK

The countdown begins! The city is kicking off construction on John Meade Park, the last of three major projects renovating the Village Center. This park is made possible by extensive involvement from our community. Cherry Hills Village received a grant of \$500,000 from Arapahoe County Open Space for the new natural play spaces and wetland boardwalk through the park. Cherry Hills Land Preserve has donated \$10,000 towards trees and landscaping. Staff would especially like to thank former and current members of the Parks, Trails, and Recreation Commission and City Council for their years of dedication and careful attention creating the Master Plan and the final design for the park.

The center of the park will feature a picnic shelter with seating and restrooms. The adjacent playground will contain natural play features like logs and boulders, as well as large hammocks for kids and families to enjoy. A “shaky-bridge” will lead from the playground to an observation tower overlooking the wetlands, which will be graded and replanted to create better habitat and water quality. Fishing piers at each pond will give better access to anglers of all ages. Across Meade Lane, Alan Hutto Memorial Commons was donated by the Hutto family in memory of their son.

The City has awarded the just over \$3M construction contract to HPM, Inc., and the park is expected to be completed by September 2020. Sketches and a fly-through video of the park are available on the city's website at www.cherryhillsvillage.com/jmp. Questions can be sent to Emily Black, Parks and Recreation Coordinator, at ebblack@cherryhillsvillage.com.

Prohibited Use of Motorized Vehicles on Trails

The Police Department has recently received telephone inquiries regarding the use of motorized vehicles on City trails.

The City Code prohibits the operation of motor vehicles in any park or on any trail within the City.

A motor vehicle is defined in the City Code as,

“any wheeled vehicle propelled wholly or in part by internal combustion or electric engine or motor, except for individual handicapped propulsion devices.”

An exception is made for all government, police, fire, ambulance, water, or other “public” vehicle. This includes all 2 or 4-wheeled vehicles of any type, to include golf carts of any type and electric bicycles or scooters.

Please be considerate of other trail users and do not drive any prohibited motorized vehicles on the City trail system.

FLU SHOT CLINIC

Front Range Flu Shots will be holding a flu shot clinic in conjunction with the Prescription Drug Take Back event on **Saturday, October 26th from 10:00 a.m. to 12:00 p.m.**

The flu shot clinic will be at City Hall (located at 2450 East Quincy Avenue). This is a **walk-in clinic** so there is no need to make an appointment. Front Range Flu Shots accepts the following insurance plans:

- Aetna
- Cigna (Cigna Connect is NOT accepted)
- CNIC
- Cofinity
- Humana (HMOx is NOT accepted)
- Medicate Part B (when it is the primary insurance plan)
- Medicare Advantage PPO
- Rocky Mountain Health Plans

For any questions regarding the flu shots, you can contact Front Range Flu Shots at (303) 797-3396.

PREScription DRUG

TAKE-BACK DAYS!

ON SATURDAY, OCTOBER 26th from 10 a.m. to 2 p.m. the Cherry Hills Police Department and the Drug Enforcement Administration (DEA) will provide the public another opportunity to dispose of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your medications for disposal to the Cherry Hills Police Department at 2460 E. Quincy Ave. The service is free and anonymous, no questions asked.

In 2018, Cherry Hills Village residents turned in almost 200 pounds of prescription drugs during the Prescription Drug Take Back days facilitated by the Cherry Hills Village Police Department. It is important to remember that the following items are not accepted during these take back events. The items are as follows:

- Needles & Sharps
- Mercury (thermometers)

- Oxygen Containers
- Chemotherapy/Radioactive Substances
- Pressurized Canisters
- Illicit Drugs

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

CHERRY HILLS VILLAGE MUNICIPAL COURT **SEEKING ALTERNATE MUNICIPAL JUDGE**

The City of Cherry Hills Village is seeking an alternate Municipal Judge for Municipal Court services. The City holds court every other Wednesday morning and primarily hears traffic and code violations. The alternate Judge would run the court on days when the primary judge is unavailable. It is anticipated that this would only occur a few times a year.

Qualifications: Citizen of the United States, Arapahoe County resident, over the age of thirty years, and duly licensed to practice law in the State with at least five years' experience as a practicing attorney or judge. Select candidates will be asked to participate in an interview process.

Resumes and cover letter can be emailed to Municipal Court Clerk, Terri Littleford, at tlittleford@cherryhillsvillage.com, faxed to (303) 761-9386 or mailed to Cherry Hills Village City Hall 2450 East Quincy Avenue Cherry Hills Village, CO 80113.

All resumes are due no later than Monday, September 30, 2019.

RECONNECT WITH FRIENDS AND NEIGHBORS AND SUPPORT A GREAT CAUSE

AT THE CHERRY HILLS LAND PRESERVE'S ANNUAL BARN PARTY, ART AUCTION AND TRAIL WALK

Reconnect with neighbors and friends after the long summer at the Cherry Hills Land Preserve's fundraising and community weekend, Sept. 14-15. Don your casual western wear Saturday, Sept. 14 from 6 – 10 pm at the rustic barn and beautiful grounds of the Rady Barn to celebrate another year inspiring land stewardship in the community at the 9th Annual Barn Party and Art Auction. Then bring the family out on Sunday, Sept. 15 from 10 am – 2pm to explore and spark curiosity about Cherry Hills Village's natural wonders with local conservation groups, fun activities and prizes for the kids and gourmet pizza at the 3rd Annual Trail Walk.

New this year at the Barn Party and Art Auction is the sale of 30 limited-edition color block prints created by Duke Beardsley. These original color block prints will be made specifically for the Cherry Hills Land Preserve and the 2019 Barn Party and sold for a set price on a first come, first serve basis – be sure to arrive early and get yours!

Renowned local artists will also be attending the Barn Party and Art Auction, displaying their works upstairs and outside Rady Barn. Be sure to bring your cell phones to join the online bidding during the party! A portion of the sale proceeds will be donated to the Cherry Hills Land Preserve to preserve and enhance open lands and inspire land stewardship. Featured artists for 2019

MAYOR'S REPORT

This month's theme is remodeling and renovation, at Kent Denver School and John Meade Park.

KENT DENVER/QUINCY TRAFFIC

In September 2017 Kent Denver School applied for a building permit to remodel the original 1960-era upper school building and to construct a new adjacent facility for office and classrooms. The number of enrolled students will not increase. The request prompted discussion about traffic congestion on Quincy Avenue in the mornings before the 8:00 a.m. start times for Kent Denver and Cherry Hills Village Elementary. In February 2018 Council approved Kent Denver's request for a permit on the condition that before the issuance of a final certificate of occupancy, the school convey land to the Village for construction of a roundabout at the intersection of Quincy Avenue and Colorado Boulevard. In April 2018, following public input, Council voted to suspend design work on the roundabout.

In May 2019, Council voted to delete the condition that Kent Denver convey land for a roundabout to the Village and Kent Denver was issued a final certificate of occupancy for the new space. Renovation of the upper school building (the original Kent Girl's School) will be completed in the spring of 2020. The new upper school complex, along with the dining hall and the 2018 remodeling of the middle school, will complete construction of beautiful, first-class educational facilities in the heart of our Village.

Following Council's May 2019 decision, the Board of Trustees for Kent Denver conveyed to the Village and its residents, an expression of the school's desire and commitment to work with the Village to explore ways to mitigate peak period congestion on Quincy Avenue and to partner with the Village on other matters of mutual concern. For this school year, Kent Denver is (1) adding a second late start (Fridays) to the 2019-2020 school schedule; (2) staggering dismissals to smooth afternoon traffic flow; (3) setting aside preferred parking for carpoolers; (4) encouraging the use of RTD and cycling

alternatives for its students.

Council plans to revisit and update the Village Master Plan in 2020. When last revised in 2008, the Master Plan adopted

three guiding transportation goals: (1) minimize cut-through traffic

on Village streets; (2) maintain the existing hierarchy of streets and their designated functions, and (3) improve safety on Village streets and intersections <http://www.cherryhillsvillage.com/400/Master-Plan>. A public discussion of existing Master Plan goals and implementation strategies will be a priority for the Planning and Zoning Commission, Village Council and Village staff in 2020.

ARAPAHOE COUNTY'S \$500,000 GRANT AWARD FOR JOHN MEADE PARK

On July 23, 2019, Arapahoe County Commissioners awarded a \$500,000 grant to Cherry Hills Village, to help fund construction of improvements to John Meade Park. When completed in 2020, John Meade Park will be the final piece of the Village Campus, taking its place at University Boulevard and Quincy Avenue alongside the Joint Public Safety Facility and the new City Hall.

In 2003 voters approved the creation of the Arapahoe County Open Space and Trails Advisory Board ("OSTAB"). The seven members of OSTAB are appointed by Arapahoe County Commissioners to recommend the acquisition of open space and new trails, and to recommend capital improvements for existing recreational facilities. To fund these acquisitions and improvements voters also approved a .25 percent sales tax on all purchases in Arapahoe County. Fifty percent of the revenue is returned directly to cities and towns, 25 percent is used to acquire open space and develop trails, and 12 percent is set aside for competitive grants. From 2003 to 2018, Arapahoe County constructed 214 miles of trails, supported 150 park projects, and conserved more than 33,000 acres of open space through purchase and other means. Since 2003 Cherry Hills Village has secured grants for 17 projects totaling more than \$1,000,000.

In April this year the Village applied for a \$500,000 grant, its largest single

request ever, to assist in the renovation of John Meade Park. OSTAB members visited the site on May 15. In July OSTAB formally recommended approval of 10 grant requests in the County, including the request for John Meade Park. Several weeks later the Arapahoe County Board of Commissioners approved the OSTAB recommendations, and this August Cherry Hills Village signed an intergovernmental agreement accepting the grant money. Thank you to Councilmembers, Village staff, the Cherry Hills Land Preserve, and all others who helped to write and support the successful application.

PUBLIC SAFETY

In cases of violent crime or crime with potential for personal harm, such as murder, assault, robbery, and burglary, the Police Department will, within a few hours or as soon as practical given the situation, issue an alert through the City's Notify Me® to all residents who have signed up through the website (<https://www.cherryhillsvillage.com/AlertCenter.aspx>). The Police Department may also alert the community through social media. The Village Community Crime Map is also on the website (<https://www.communitycrimemap.com/?address=cherryhills,co>).

If you have questions or concerns about crimes in your neighborhood, please call the Police Department at 303-761-8711 or if you witness a crime or suspicious activity, call 911.

For those trained in cardiopulmonary resuscitation (CPR) or who keep an automatic external defibrillator (AED), there is an interesting android and IOS application, PulsePoint, that is worth a look. The app monitors the current location of users and will send an alert if a victim, in a nearby public location, requires CPR. The application now interfaces with South Metro Fire and Rescue <https://web.pulsepoint.org/>.

REALLY?

You missed the
Cherry Hills Village
“Art in the Park?”

Let me tell you about the evening. The event started at City Hall where some neighbors toured the new building and others visited with friends and the artist of *Really*, Wayne Salge. Then it was out to view the newest sculpture on loan where Wayne spoke for a few minutes about his art.

After that, about 70 of us strolled along Meade Lane that glorious evening to the home of Alice and Fred Abrams for a wine and hor d'oeuvres and viewing of their art works. Fred created humorous sterling silver zoological sculptures that have been sold at Cartier in New York. Alice's gold and silver jewelry creations have adorned many art patrons over the past 65 years. It was a great evening.

*Seriously you need to come next year!
I mean, Really*

Cooper's Hawk

DEAR FELLOW VILLAGE NEIGHBORS,

For several years we've seen a lovely cooper's hawk patrol the neighborhood. Lynn and I hope it is happy here so it can manage some of the rodents (voles, rabbits) - plus it is such a majestic creature.

Apparently, they are happy enough to produce FOUR beautiful healthy juveniles who were managing a rabbit that frequented our neighborhood in July.

As you can see from the photos at left, the event produced some incredible views.

NATIONAL NIGHT OUT WRAP-UP

On August 6, 2019, the Cherry Hills Village Police Department hosted the National Night Out Event at the Joint Public Safety Facility. This nation-wide program takes place in all 50 states with over 16,000 communities and approximately 38 million neighbors participating in the annual event. National Night Out is a way to enhance the relationships between neighbors and law enforcement in local communities.

Over 150 residents participated in the festivities. Some of the activities included tours of the police facility, exploring police vehicles and a South Metro Rescue Authority fire truck, face painting, enjoying the Kona shaved ice truck, playing on a bounce house, and a special visit by *Dinger*, the Colorado Rockies mascot.

The visitors also enjoyed pizza, popcorn and other refreshments. This event is

typically held the first Tuesday in August so mark your calendars for next year and we hope to see you at the 2020 National Night Out Event!

2020 BUDGET CALENDAR

The City Charter mandates that the City Council adopt a budget calendar by resolution each year. The following calendar was adopted as the budget calendar for the preparation of the 2020 annual budget by the City Council at the September 3, 2019 meeting:

1. The City Manager submits the proposed 2020 budget on or before September 17, 2019.
2. The City Council holds a study session to review the proposed 2020 budget on or before October 2, 2019.
3. A public hearing will be held concerning the proposed 2020 budget and first readings of the Appropriations Ordinance and Mill Levy Ordinance on or before November 19, 2019.
4. The Appropriations Ordinance and Mill Levy Ordinance will be adopted on second reading before the certification of tax levies deadline of December 15, 2019 required by Arapahoe County Assessor's Office.

If you have any questions regarding the 2020 budget preparation process, please contact Jessica Sager, Director of Finance and Administration, at (303) 783-2730 or jsager@cherryhillsvillage.com.

CITY COMMISSION VACANCY

The City is currently accepting applications for the Planning and Zoning Commission (P&Z). The P&Z reviews all subdivision applications, rezoning requests, floodplain modifications and other development applications submitted to the City, and provides a recommendation to the City Council on those applications. The P&Z is also responsible for the preparation of the City's Master Plan and makes recommendations to the City Council on updates to the Master Plan. The Planning & Zoning Commission meets on the second Tuesday of every month at 6:30 p.m.

If you would like to apply to serve on the P&Z, please complete an application and return it to City Clerk, Laura Smith. The application can be found on the City's website at [http://www.cherryhillsvillage.com/228/Planning-Zoning-Commission \(P&Z\)](http://www.cherryhillsvillage.com/228/Planning-Zoning-Commission%20(P&Z)) or at City Hall (2450 East Quincy Avenue).

THE DEADLINE FOR ALL APPLICATION SUBMITTALS IS FRIDAY, SEPTEMBER 27TH.

For more information regarding the P&Z or to submit your application, you can email lsmith@cherryhillsvillage.com or call (303) 783-2732.

PLANT SPRING FLOWERING BULBS IN THE FALL

by Carol Gilmore, CSU Extension Arapahoe County Master GardenerSM

September and October are the best time to plant bulbs for beautiful spring blossoms. The bright colors of crocus in early spring, the nodding blooms of yellow daffodils and the vivid-hued tulips at Easter can only be enjoyed if you plant these bulbs in the fall. Find the biggest bulb for the variety and hand-select individual bulbs at your local garden center to be sure they are free from defects.

Plant a grouping of the same bulbs together to give a conspicuous splash of color. Consider early, mid and late-season varieties for an on-going show in the spring. Plant bulbs with the tip side up and at a depth of about 3-4 times the height of the bulb. Bulbs should be planted in a well-drained location, and can perform in either sun or filtered shade, depending on the variety. Bulbs provide their own food for growing and flowering, but it is a good idea to spend time preparing the planting area for continuous flowering in multiple seasons.

Prepare the planting bed by loosening and amending the soil with well-composted organic material. Add a slow release phosphorus fertilizer, such as 0-20-0. Mulch the bulbs after planting to protect them over winter.

The large showy Dutch or Darwin tulip may be what first comes to mind when growing bulbs in your garden, but they don't always do well in our climate. If they are your favorites, you may have to replant every few years. Some bulbs do better than others in terms of naturalizing to become a permanent part of your landscape.

Crocus, daffodils, grape hyacinths and species tulips generally do a good job of naturalizing and spreading.

The tulips that do better in our climate include species like bakeri, batlinii, trada, raestans or clusiana. Although these tulips are not as showy as the larger and flashier Dutch or Darwin tulips, they generally do better in our environment. Daffodils are resistant to deer and come in a wide range of colors and sizes. If you carefully select for bloom times you can spread out the season of display for a couple of months. Grape hyacinth, scilla, and dutch iris are also generally considered to be deer resistant.

We recommend that you mulch bulbs after planting. In the spring, you should remove spent flowers but allow the foliage to wither naturally before removing it. This feeds the bulb for next year's blooms. If possible, incorporate some ground covers or early spring perennials in your planting plan to hide any unsightly bulb foliage. You may have to divide the bulbs after a few seasons.

Grab a bulb catalog or go to your favorite garden center now and get the first pick of flowering bulbs that you will love for seasons to come.

CHERRY HILLS VILLAGE WELCOMES NEW COMMUNITY DEVELOPMENT DIRECTOR

CHRIS CRAMER joined the City of Cherry Hills Village in July as the Community Development Director. Prior to joining the City, Mr. Cramer was the Community Development Director for the City of Commerce City, where he served as the Director of Community Development since 2014. As the Director for Commerce City, Mr. Cramer was responsible for zoning, development review, comprehensive and long range planning, the Building Safety Division, code enforcement, the Community Development Block Grant (CDBG) program, and the Housing Authority. A few of his achievements with Commerce City include: overseeing the adoption of a Comprehensive Master Plan for the first time in over 20 years, overseeing the adoption of a Zoning Ordinance re-write, and leading the successful efforts of two new bus routes in Commerce City through securing grant funding. In addition, during his tenure, he successfully managed a series of neighborhood plans, including the Irondale Neighborhood Plan, RTD Station Area Master Plan, Commerce City Housing Plan and Public Art Plan. Prior to his time as Director, Mr. Cramer was an introductory Planner and Planning Manager at Commerce City. He completed a Master's in Urban and Regional Planning from the University of Washington in Seattle, and a Bachelor's in Political Science from Oklahoma State University. City Manager Jim Thorsen stated "We were so fortunate to be able to land someone with Chris' talent and experience."
