

CHERRY HILLS VILLAGE ART COMMISSION ■

October 7, 2020

Dear Past and Future Supporters of the Cherry Hills Village Art Commission:

We hope this letter finds you in good health and enjoying the beginning of our beautiful fall season. As the State of Colorado is still dealing with the COVID-19 Pandemic, we all continue to find creative ways to enjoy ourselves safely.

Similar to the fate of many Village events, the Cherry Hills Village Art Commission (CHVAC) annual summer season fundraiser was canceled due to COVID-19 restrictions. For those of you who attended last year's event, you will recall a delightful evening that started at our new City Hall, hearing about the most recent addition to our Sculpture on Loan Program, *Really*, from artist Wayne Salge. Following a tour of the new Village Center and viewing of *Really*, attendees walked down the street to the home of Alice and Fred Abrams. We were treated to an exclusive look at their home, Alice's striking jewelry creations and the wonderful bronze miniatures created by Fred. There were cocktails and hors d'oeuvres, and it was the perfect summer evening.

This year we had an equally lovely event planned but had to put it on hold until 2021. In its place, we decided to reach out to our past supporters and the many new families that have moved into the Village to ask that you consider including the CHVAC in your charitable contributions for 2020. All donations go directly into the CHVAC's Art Donation Account, which is used to supplement our annual budget.

This year the CHVAC utilized some of the Art Donation Account funds to enhance the budget for the spectacular permanent sculpture, *Gusto*, by Gilberto Romero, installed at the entrance of our City Hall.

To provide you with more information about the CHVAC, our mission and the art that may be found around the Village, we have enclosed an informational brochure and a map showing the locations of public art through the Village. We encourage you to get outside and discover a new favorite piece!

Donations can be made by check (made payable to Cherry Hills Village with a memo to CHVAC), credit card by mailing the donation form below or by calling City Hall at (303) 783-2732 during regular business hours (Monday-Friday 8:00-4:30 p.m.). All supporters will receive a CHVAC vehicle decal upon receipt of a donation.

Please be sure to fill out the address part of the donation form below to receive your decal.

We can't thank you enough in advance for your support of the CHVAC. We believe that art is an important facet of a well rounded community and appreciate the incredible support of Village residents.

Sincerely,

The Cherry Hills Village Art Commission
