

April 2, 2025

Dear Resident,

C&L Water Solutions, Inc. has contracted with the **City of Cherry Hills Village** to rehabilitate the sanitary sewer lines in your neighborhood as part of the City's ongoing infrastructure maintenance program. Work is scheduled to begin **April 10th, 2025**. ***Please note this may not be the actual date of construction affecting your residence, just the start date in your area.**

We will be posting an additional notice 24-48 hours before beginning the work, which will include specific information about the improvements. During our work, no water will be allowed down the sewer lines. The notification will explain what the work will entail, expected duration and how you will be affected. The work should take approximately one day. Please watch for the next notification where specific hours will be provided.

We realize that the construction will be an inconvenience and we will work to complete it as quickly and safely as possible. Thank you for your cooperation. If you have any concerns related to this work, please call Project Coordinator Jared Medinger at 303-791-2521. (This 24-hour number also is available in case of emergency.)
