23 FOXTAIL CIR	16-May-25		Residential	Interior Remodel	Portal Submitted	\$10,000.00	This is a Permit to complete the work started in building permit 23-00118 for a basement renovation and permit 25-0107 for the electrical component. As a homeowner, I am doing the work myself during weekends, so the initial 18 months plus the two 4 month extensions expired yesterday. It is a big basement but 90% of the work is complete. From the 14 inspections in the initial permit, 10 have been completed and passed. The last 4 inspections are : Final Electrical Final Mechanical Final Plumbing Final Building The work remaining is woodwork and trim installation, painting, flooring, and final installation and connection of kitchen island. There has been no changes to the original approved plan and I will attach the documents to this permit.
